Salesforce Innovation Day - Ottawa, Ontario

The event will draw a public sector audience and industry stakeholders focused on creating a smarter, more innovation government. The event will feature a main stage with speakers from government and industry.

The Innovation Day will be held on **Wednesday, Feb 27, 2019** at the The Westin Ottawa, 11 Colonel By Drive, Ottawa, ON K1N 9H4

Join your fellow trailblazers and learn how revolutionary technology platforms easily integrate with your current infrastructure, enabling automation, collaboration, mobile and rapid response to change.

At the Salesforce Innovation Day, you will:

- Hear from thought leaders across government and industry
- Meet with Salesforce executives – networking and discussion opportunities
- Engage with partners, experts and companies who specialize in cloud computing, citizen engagement, automation, and beyond
- Meet with and problem solve alongside your peers and experts
- Get in-depth details on customer case studies and testimonials
- Gather information from a wide range of experts and leaders who will be sharing best practices, new solutions, and more
