

Public Sector Procurement Vehicles & Contracts

Carahsoft serves as the master government aggregator and distributor for Spectra Logic, helping government agencies transform into connected organizations through social and mobile technologies.

Carahsoft offers expertise in government procurement processes and practices, and holds Spectra Logic-specific as well as state-, city-, county-, and contracts that accelerate procurement for government agencies. In addition, through GSA’s Cooperative Purchasing Program, state, local, and tribal governments can purchase through GSA Schedule contracts.

Through these contracts, customers are able to procure end-to-end Spectra Logic solutions, encompassing licenses/subscriptions, implementation and integration services. Contracts listed are either in process or available for Spectra Logic to leverage.
