Efficiency

CAPACITY TO DO MORE WITH LESS

Is your grants team stretched too thin? Organizations are managing more funding than ever, and don't have the resources to match. AmpliFund creates more capacity for your team by streamlining your processes to save you time. It's purpose-built to manage grants and has features that send automatic reminders and generate reports with the click of a button. With AmpliFund, you'll have more time to realize the full potential of your grants rather than just keeping up.

Support

UNMATCHED RESOURCES AND SUPPORT

Overwhelmed by the complexities of managing grants? AmpliFund experts partner with you right from the start to create a personalized plan that will help you streamline your operations. You and your team will get compliance news, recommended best practices, and even access to live training events. With AmpliFund, you get support from a team that understands your needs, your grant program, and your goals, and is dedicated to helping you exceed them.

Transparency

THE RIGHT DATA AT THE RIGHT TIME, IN ONE PLACE

Is trying to get the reporting data you need from different documents, places, and people a challenge? AmpliFund is the central source of truth for everything associated with your grants, and it provides transparency to your team, your stakeholders, and your community. With your team all working in one system, you will get real-time insight into risks and opportunities so you can elevate your funding's potential.

AmpliFund's features are designed to streamline processes and create capacity for teams of every size during every phase of the grant lifecycle.
