(1-833-276-9352)

VMware Cloud Foundation (VCF) Components:

- vSphere Enterprise Plus
- vCenter Server Standard
- vSAN Enterprise
- NSX Enterprise Plus (Networking Only)
- Aria Suite Term Enterprise
- Aria Ops for Networks Enterprise
- HCX Enterprise
- SDDC Manager
- Tanzu Kubernetes Grid

Scope:

The Army Enterprise License Agreement (ELA) renews the U.S. Army Enterprise's VMware Install Base as a whole, which includes Army Commands, Army Service Component Commands, Army National Guard, Army Reserve, Headquarters Department of the Army (HQDA), Direct Reporting Units, Program Executive Offices, Contractors purchasing on behalf of Army Organizations with appropriate authorization, Joint and Coalition Forces where the Army is Executive Agent. In addition to renewing the Army's Install Base, the Army is entitled to a discounted unit rate for new VCF Data Center and VCF Edge licenses.

On-Demand and Virtual Instructor-Led Training:

- Approximately 40+ interactive on-demand and virtual instructor-led training courses available through the "Learning@Broadcom" Training Portal. Create your account here: <https://support.broadcom.com/>.
- Open to all Army soldiers, civilians & contractors. Using your army.mil or mail.mil email account, the Army can leverage an unlimited number of trainings.
- Contact Melissa Spurrier, Training Program Manager at melissa.spurrier@broadcom.com for more information!
