

Hewlett Packard Enterprise

Accelerating your business outcomes with comprehensive solutions, from edge to cloud.

Company Overview

HPE is the global edge-to-cloud company built to transform your organization. How? By helping you connect, protect, analyze, and act on all your data and applications wherever they live, from edge to cloud, so you can turn insights into outcomes at the speed required to thrive in today's complex world.

Additional Facts:

- HP was founded by Bill Hewlett and Dave Packard in a garage in Palo Alto, CA in 1939
- In 2015, HPE was founded when HP split into two allowing HPE to specialize in providing enterprise products and services
- Since founding, HPE has grown and evolved into one of the *world's leading enterprise technology companies*
