

What Imersis Users Are Saying

What Imersis Users Are Saying

While each client uses Imersis a little differently, they all express a high level of satisfaction with the product and its features. Don't take our word for it, take theirs!

Data Quality Improvements	Change Control Enhancements
<p><i>"Our state went to blue this month [on the T-MSIS Outcomes Based Assessment map on Medicaid.gov]. We are so happy."</i></p>	<p><i>"Nothing goes into our Medicaid system without first testing in Imersis."</i></p>
<p><i>"We are blue [on the T-MSIS Outcomes Based Assessment map on Medicaid.gov]. Within 8 weeks of using Imersis we have gone from being red to blue and have stayed blue."</i></p>	<p><i>"Imersis is doing what we need it to do to help us test things in advance and make sure they are working."</i></p>
<p><i>"Before we implemented these modules our T-MSIS data was in good shape, now we have so many problems we can't resolve. Imersis is exactly what we need."</i></p>	<p><i>"I use Imersis to do a deep dive into problems, having the sample errant records enables me to zero in on the exact problems in our MMIS."</i></p>
<p><i>"The custom measures you developed for us helped us better understand our encounter data."</i></p>	<p><i>"We used the Sample Errant Records in DQ30 to develop our system fix."</i></p>
<p><i>"We love using this tool."</i></p>	<p><i>"We are so happy with these test results."</i></p>
	<p><i>"Thank you for processing our test file so quickly, we were able to resolve the issue before sending our file to CMS."</i></p>
