

The New Evolution of Plan Review Software

e-PlanSoft™ is the leading provider of electronic plan review software. Our suite of products provides practical solutions to both public and private sectors to streamline and improve efficiency and effectiveness in plan reviews saving time and money.

One Solution For All REVIEW Purposes

e-PlanREVIEW® is a web-based electronic plan review solution that allows for a well-coordinated, collaborative review process where multiple reviewers can mark up plans simultaneously, making the review process faster and more accurate.

How e-PlanREVIEW® Improves the Plan Check Process

- ✓ Seamless integration into agency permitting systems
- ✓ Expediting agency reviews and minimizing bin times
- ✓ Clear visual plan/document management and tracking
- ✓ Assemble professional, easy-to-read, aggregated corrections reports quickly
- ✓ Conduct simultaneous reviews across different disciplines and/or departments
- ✓ The event log records the important activity during the review
- ✓ Standard comment database tool for easy comment adding and code reference
- ✓ Reporting and status updates on the review-in-progress
- ✓ All permit information is tracked and recorded

The Practical Solution to Improve Efficiency and Compliance

Work Without Limits in Real-Time

Products of e-PlanSoft

A customizable intake portal that pairs seamlessly with e-PlanREVIEW, providing agencies the ability to accept documents, track project progress, communicate with applicants, gather form submissions, and return plan review feedback.

Online forms to gather data non-standard to goPost project information and independent of project applications or inspection requests. For example: inspections, checklists, surveys, payments, and other forms.

Customers and applicants uploading bad documents? Save time with PDF Scout. Embedded into e-PlanREVIEW and goPost, PDF Scout analyzes PDFs and flags file issues at the point of upload for your applicants to resolve before plan review begins.
