# AI on US for Full Stack Customer Promotion

The Industry's Most Complete Full Stack Portfolio and Proven AI with huge savings!!

Make Every User Experience Exceptional with Juniper AI-Driven Enterprise Full Stack Solutions.

For a limited time, take advantage of HUGE savings with Juniper's full stack of AI-Driven Enterprise solutions featuring industry-leading Wired & Wireless infrastructure and tunnel-free AI-Driven SD-WAN.

**END-TO-END ASSURANCE** Only Juniper has the client-level visibility required to anticipate and fix issues across the campus and branch before they become problems.

**TRANSFORMATIONAL SCALE** AI-Driven Enterprise Full Stack solutions ensure simplicity, productivity, and reliability, vital for digital transformation. Automation across the campus and branch promises faster deployment, reduced OpEx, and better resource utilization.

**SECURITY IN EVERYTHING WE DO** With integrated next-gen security, Juniper's full stack prevents, identifies, and inspects threats with high-performance throughput and scalability whether on-premises or in the cloud.

## Promotional Offer

- AP Series
- EX Switches
- SSR Series
- Mist AI Cloud subscriptions

## Timeframe

- Valid from January 25th to December 31st 2024

## Customer Eligibility

- Available globally, where Juniper AI-Driven Enterprise solutions (AP, EX Series, SSR Series) are certified for sale.
- Promotion is available for both new and existing AIDE (Juniper Mist) customers.
- Existing customers are only able to leverage this promotion in the event they are purchasing a net new Juniper Mist product or solution type.
- Federal government organizations and US K-12 are excluded.
- Have at least 1000+ non-Juniper AP, 300 switches, or 100 WAN edge devices of a competitor product in operation in their network.

## Let's Get Started

- Ready to experience the most proven AI in networking? For a limited time, we're offering Juniper's full stack of AI-Driven Enterprise solutions at a fraction of the regular cost!
- Mix 'n match any combination of eligible wired, wireless, and WAN appliances and cloud subscriptions to create a deployment scenario that's right for you!
- Request a quote from your Juniper representative or Juniper Authorized Reseller
