Cohesity's Offer to US Federal Government Purchase Guide (OneGov)

To receive pricing and/or to schedule an overview reach out to:
cohesityfederal@carahsoft.com or (571) 591-6130

As a dedicated federal partner, Cohesity supports GSA's OneGov initiative to modernize government data protection and simplify agency IT adoption. Through this collaboration, Cohesity and Carahsoft are offering a limited-time OneGov promotional package that delivers advanced data security and resilience to federal agencies at a significantly more competitive price.

Cohesity Products offered as part of the Promotion:

Cohesity Products	Part #	MSRP	OneGov Price

Bundles are new product offerings, created specifically for OneGov. Promotional pricing is valid for new purchases of 12-month subscriptions only; renewals are not eligible for promotional pricing. Promotional pricing is available through September 30, 2027.

Option year contracts available to lock in discounted pricing for up to 36 months. Otherwise, pricing is subject to standard 10% year-over-year uplift on current pricing

FedCloud Bundle has a minimum purchase requirement of 10 Back-end Terabytes (BETB). No minimum purchase required for FedShield bundle or DataProtect and Replica items

Agencies have multiple flexible deployment options; software does not have to be deployed on proprietary Cohesity Branded hardware

This offer does include bundles of products as well as individual SKU offerings.
