

# Avenu | Jury

## Unleashing the Future of Jury Management!

---

Jury service is not just a civic duty; it's the bedrock of our judicial system. But what if we told you that the entire jury process could be seamless, efficient, and stress-free for both the court and the citizens?

Enter Avenu | Jury, the solution *crafted by jury administrators, for jury administrators!*

### REVOLUTIONIZE COURT OPERATIONS

In the fast-paced world of the judiciary, every second counts. Imagine:

- **Reducing Paperwork:** We don't just reduce paperwork; we transform it. With Avenu | Jury, the bulk of the paperwork is automated, ensuring that the jury process becomes hassle-free for both constituents and staff
- **Speeding Up Processes:** Automated summons postcards and swift kiosk check-ins mean tasks are completed in a fraction of traditional times.

### EFFICIENCY AND EXCELLENCE

Avenu | Jury brings a revolutionary approach to court administration, turning daunting tasks into streamlined successes.

- **End-to-End Services:** From initial pool creation to final payment, we enhance every aspect of jury management. Online portal allows jurors to upload documents, engage with the system, and stay updated with service reminders.
- **Efficiency Meets Equity:** Beyond just software, Avenu | Jury boasts features like tailored reporting, robust security, and a user-friendly online portal for jurors.
- **Digital Innovation:** Direct and swift access to court records is now possible, reducing the need for in-person visits and fostering a digitally forward judiciary.

## BENEFITS FOR COURT AND JURY ADMINISTRATORS

- **Streamline Jury List Creation** using diverse data sources
- **Source Jurors from Multiple Databases** for diversity and representation
- **Mobile Check-Ins & Kiosks** reduce bottlenecks
- **Simplify Case & Panel Creation** with randomized selection
- **Automated Reporting** with 60+ baseline reports and options to customize
- **Enhance Citizen Communication with electronic questionnaires & reminders**
- **Automate Juror Payment Calculations** eliminating manual errors
- **Secure Juror Info** with multi-factor authentication & encryption

## MODERNIZING THE JUROR EXPERIENCE

- **Transform Jury Duty Experience** with cutting-edge technology giving citizens the modern experience they expect
- **Streamline Check-In & Reduce Wait Times using self-service options**
- **Automate Compensation** eliminating errors and delays
- **Ensure Inclusivity with Multilingual Options** for accessibility
- **User-Friendly Interface & Intuitive Design** simplifies navigation
