   (b) **Data.** Each sales report must identify every authorized Purchasing Entity by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The “Miscellaneous” option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasing Entities specified herein during the term of this Participating Addendum. Refer sales reporting questions to the Primary Contact set forth below. If there are no contract sales during the reporting period, Contractor must report zero sales.

   (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

   \[
   \text{Amount owed to Enterprise Services} = \text{Total contract sales invoiced (not including sales tax)} \times 0.015
   \]
(b) The VMF must be rolled into Contractor’s current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.

(c) Enterprise Services will invoice Contractor quarterly based on contract sales reported by Contractor. Contractor shall not remit payment until it receives an invoice from Enterprise Services. Contractor’s VMF payment to Enterprise Services must reference the following:

   - Contractor’s name as set forth in this Contract, if not already included on the face of the check.

(d) Contractor’s failure accurately and timely to report total net sales, to submit usage reports, or remit payment of the VMF to Enterprise Services, may be cause for suspension or termination of this Participating Addendum or the exercise of any other remedies as provided by law.

(e) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases.

(f) For purposes of the VMF, the parties agree that the initial management fee is included in the pricing. Therefore, any increase or reduction of the management fee must be reflected in contract pricing commensurate with the adjustment.
