6. Statewide Contract Administration Fee and Quarterly Report: All purchases are subject to a 1% Contract Administration Fee, which is created pursuant to MGL c. 7, § 3B, 801 CMR 4.02 and incorporated by reference into contracts with OSD. The price stated in Contractor’s Quote price shall be inclusive of this fee and Contractor shall not reflect this fee as a separate line item on customer invoices.

This fee will be based on one percent (1%) of the total dollar amounts, adjusted for credits or refunds, paid by Purchasing Entities to the Contractor pursuant to this Agreement. All purchases are subject to this fee regardless of whether the contract was awarded for statewide or regional coverage. Purchasing Entities include all entities listed in Section 3 (Participation) of this Participating Addendum.

Note that if the 1% Administration Fee is deductible as a business expense for federal income tax purposes, it is also deductible as an expense for Massachusetts tax purposes.

6.1 Quarterly Administration Fee Payment: For each Payment Period, Contractor shall pay to OSD a fee equal to one percent (1%) of the total payments (adjusted for credits or refunds) received from all Purchasing Entities that have purchased from the Contractor pursuant to this Agreement. All payments will be based on full calendar quarters (Payment Periods) and must be received by OSD on or before 45 days after the last day of the Payment Period (as specified below) or a Contractor will be considered in breach of this Agreement:

<table>
<thead>
<tr>

<tbody>
<tr>
<td>First Quarter</td>
<td>January 1st – March 31st</td>
<td>May 15th</td>

<tr>
<td>Second Quarter</td>

<td>August 15th</td>
</tr>
<tr>
<td>Third Quarter</td>

<td>November 15th</td>
</tr>
<tr>
<td>Fourth Quarter</td>

</tbody>
</table>

Quarterly payments will include any periods less than a full calendar quarter if this Agreement does not start at the first day of a quarter or end on the last day of the quarter.
Payments are to be made through a web-based secure payment center, which can be accessed through a link provided to Statewide Contractors by OSD. All Administration Fee payments are to be made directly through the secure payment center. The secure payment center allows payments to be made via Automatic Clearing House (ACH) or by using one of the following credit cards: American Express, Discover, MasterCard and/or Visa. Payment of the Administration Fee by check is not permitted unless a vendor makes a written request for an exception and demonstrates, to the satisfaction of OSD's contract manager, that compliance poses a hardship.

Please note that there is no charge to vendors to use ACH as OSD covers the nominal fee charged by the secure payment center for using the ACH payment method. OSD will NOT cover the convenience fee for selecting to pay by credit card. This is a fee the Contractor is responsible for paying and is non-refundable; the fee is over and above the 1% Administration Fee. The convenience fee is established by Statewide Contract PRF59A and therefore is subject to change during the term of this Agreement. Prior to the due date for the Statewide Contractor's Administration Fee payment, the Contractor will receive an e-mail communication from OSD that includes all required information the Contractor must use to submit payments via the secure payment center. Electronically submitting payment, which is comprised of the 1% administration fee of the total payments received by the Contractor from all Purchasing Entities for the Quarter, will serve as the Statewide Contractor Administration Fee Report.

6.2 Audit: During the term of this Agreement and for a period of six (6) years thereafter, OSD, its auditors, the Office of the Inspector General or other authorized representatives shall be afforded access at reasonable times to Contractor's accounting records, including sales information on any system, reports or files, in order to audit all records relating to goods sold or services performed pursuant to this Agreement. If such an audit indicates that Contractor has materially underpaid OSD, then the Contractor shall remit the underpayment and be responsible for payment of any costs associated with the audit.

6.3 Other Terms: Contractors are responsible for compliance with all other contract reporting requirements including, but not limited to, contract detailed spend, Supplier Diversity Program (SDP) and other contract reports, as required by this Agreement.

All amounts payable by the Contractor to OSD under this Agreement that are not received by the due date specified shall bear simple interest from the date due until paid. The Late Payment Interest Rate is set by the Office of the State Comptroller on an annual basis and can be found by selecting the fiscal year in question on the Comptroller's Fiscal Year Updates webpage.

In the event of the Contractor's breach of this policy including, but not limited to, non-reporting, non-payment, late reporting/payment, under-reporting/payment, the Commonwealth reserves the right to pursue any and all recourse and penalties available including, but not limited to, Agreement suspension and termination. The Commonwealth is allowed to suspend, terminate or debar pursuant to Massachusetts General Laws Chapter 29, Section 29F, as amended, and pursuant to Section 4 of the Commonwealth Terms and Conditions. In addition, in the event the Contractor fails to
make any payment when due, the Contractor shall be liable to the Commonwealth for all expenses, court costs, and attorneys' fees (including inside counsel) incurred in enforcing the terms and conditions of this Agreement.

7. **Contractor Sales Activity Report**: The Contractor must provide to the Participating Entity Primary Contact or his/her designee, quarterly reports of all product and service purchases made under the Agreement. The Contractor must provide the Participating Entity Primary Contact, or his/her designee, with information on purchases of environmentally preferable products made by Commonwealth Purchasing Entities upon request. The reporting requirements outlined herein can be, if required by the Participating Entity Primary Contact, modified to facilitate the Commonwealth's needs.

Failure to meet the reporting requirements established herein may result in Agreement suspension or termination.

The following information must be included in the reports, and identified for each category awarded: the Purchasing Entity Name, Invoice Number and/or Invoice Date, Product/Service Description of each item/service purchased, Unit of Measure, Unit Price, Quantity, Total Purchase Amount, and the Start Date and End Date of the service agreement.

The Commonwealth may choose to require the Contractor, at its own cost, to re-engineer the non-conforming system for the purpose of bringing it into compliance with Enterprise Information Security Policies and Standards.

15.11 Subcontractors, Partners, Resellers: Contractor must ensure that any subcontractor, fulfillment partner, dealer, or reseller who makes sales under this Agreement complies with the terms of the Agreement. The Purchasing Entity does not agree to, and is not responsible for, any terms and conditions which it does not agree to in writing.

15.12 Non-Exclusive Agreement: The Agreement shall be non-exclusive and shall not in any way preclude the Commonwealth of Massachusetts from entering into similar contracts and/or arrangements with other vendors or with vendors whose products or services are resold by Contractor, or from acquiring similar or equal goods and/or services from other entities or sources.

15.13 Individual Customer: Each Commonwealth agency and political subdivision, as a Purchasing Entity (See Section 3 for full listing), will be treated as if they were Individual Customers. Except to the extent modified by the Agreement, each agency and political subdivision will be responsible to follow the terms and conditions of the Agreement; and they will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement. Each agency and political subdivision will be responsible for its own charges, fees, and liabilities.
