

Thank you for your interest in the Adobe JELA II BPA. I am including details pertaining to the DISA specific request process for licenses on the Adobe JELA II BPA, as well as additional contract information you might find beneficial down the road! For license requests under the JELA II BPA, DISA requested that all DISA customers send an e-mail directly to the prime reseller on this BPA in order to obtain pricing: adobejela@cdwg.com

The following information should be included with your request:

- Name
- Title
- Phone
- E-Mail Address

After your request is received, you will be contacted by the reseller prime, CDWG with a quote. After an order is placed against the quote CDWG extends, they will be sending an order confirmation with next steps on how to obtain downloads/installs, etc. If you need to escalate your request internally for any reason at all, you may do so by contacting the DISA JELA Trusted Agent, Tanya West; tanya.r.west2.civ@mail.mil, 301-225-8118.
