

Docebo Federal

docebo

Docebo Federal

Engaging, impactful learning. Approved for government.

Docebo is FedRAMP Moderate Authorized, providing a modern learning environment that ties workforce development to agency outcomes—without compromising security.

Intuitive and scalable
One platform to train employees, vendors, contractors, and the public.

Streamlined delivery
Get up and running fast with flexible deployment and implementation.

Aligned to your mission
Build skills, improve service delivery, and measure outcomes and ROI.

Trusted partnerships
Use government-approved partners for strategy, migration, launch, adoption, and more.

Key capabilities

- Manage content, skills, and knowledge
- Save time and automate repetitive tasks
- Motivate learners with gamification
- White-label to maintain brand integrity
- Stay compliant with analytics, tracking, and recertification reminders
- Prove impact with detailed reporting
- Support multiple languages
- Integrate with tools like Microsoft, Oracle, SAP, Snowflake, and more

Federal-grade security

- FIPS 140-2/3 validated encryption (in transit/at rest, HTTPS/TLS 1.2+)
- Multi-tenant data segregation
- FedRAMP-compliant authentication and access controls
