elastic@carahsoft.com or call 571-590-6810

Elastic's AI platform is designed to help customers with operational resilience by powering complex cyber threat detection and delivering instantly searchable results. Included in this promotional offer are Search AI solutions to help agencies achieve a full Zero Trust security posture.

Elastic's suite of Search AI solutions is part of a [new strategic agreement between Elastic and GSA](#), in alignment with the GSA OneGov Strategy. Federal agencies face fragmented IT procurement processes, leading to inconsistent pricing and workflow bottlenecks. To help agencies move faster, work smarter, spend less money and protect sensitive data, GSA and Elastic announced promotional discount for a limited time only. Through this promotional discount, agencies gain exclusive access to deep discounts on top IT security products that are foundational to compliance and protecting government assets.

- Agencies purchasing Elastic's self-managed solution can access discounts starting at 27.5%.
- For FedRAMP Moderate cloud deployments through GovCloud, discounts start at 15%.
