Carahsoft Rider to Manufacturer End User License Agreements
(for U.S. Government End Users)

- 1. Scope.** This Carahsoft Rider and the Solix Technology, Inc. ('Manufacturer') End User License Agreement (EULA) establish the terms and conditions enabling Carahsoft to provide Software and Services to U.S. Government agencies (the "Client" or "Licensee").
- 2. Applicability.** The terms and conditions in the attached Manufacturer EULA are hereby incorporated by reference to the extent that they are consistent with Federal Law (e.g., the Anti-Deficiency Act (31 U.S.C. § 1341(a)(1)(B)), the Contracts Disputes Act of 1978 (41. U.S.C. § 601-613), the Prompt Payment Act, the Anti-Assignment statutes (31 U.S.C. § 3727 and 41 § U.S.C. 15), 28 U.S.C. § 516 (Conduct of Litigation Reserved to Department of Justice (DOJ), and 28 U.S.C. § 1498 (Patent and copyright cases)). To the extent the terms and conditions in the Manufacturer's EULA are inconsistent with the Federal Law (*See* FAR 12.212(a)), they shall be deemed deleted and unenforceable under any resultant orders under Carahsoft' s contract #GS-35F-0119Y, including, but not limited to the following:
 - (a) Contracting Parties.** The Government customer (Licensee) is the "Ordering Activity", "defined as an entity authorized to order under GSA contracts as set forth in GSA ORDER 4800.2G ADM, as may be revised from time to time. The Licensee cannot be an individual because any implication of individual licensing triggers the requirements for legal review by Federal Employee unions. Conversely, because of competition rules, the contractor must be defined as a single entity even if the contractor is part of a corporate group. The Government cannot contract with the group, or in the alternative with a set of contracting parties.
 - (b) Changes to Work and Delays.** Subject to GSAR Clause 552.243-72, Modifications (Federal Supply Schedule) (July 200 0) (Deviation I 2010) (AUG 1987), and 52.212 -4 (f) Excusable delays. (JUN 2010) regarding which the GSAR and the FAR provisions shall take precedence.
 - (c) Contract Formation.** Subject to FAR Sections 1.601(a) and 43.102, the Government Order must be signed by a duly warranted contracting officer, in writing. The same requirement applies to contract modifications affecting the rights of the parties. All terms and conditions intended to bind the Government must be included within the contract signed by the Government.
 - (d) Audit.** During the term of this Agreement: (a) If Ordering Activity's security requirements included in the Order are met, Manufacturer or its designated agent may audit Ordering Activity's facilities and records to verify Ordering Activity's compliance with this Agreement. Any such audit will take place only during Ordering Activity's normal business hours contingent upon prior written notice and adherence to any security measures the Ordering Activity deems appropriate, including any requirements for personnel to be cleared prior to accessing sensitive facilities. Carahsoft on behalf of the Manufacturer will give Ordering Activity written notice of any non-compliance, including the number of underreported Units of Software or Services ("Notice"); or (b) If Ordering Activity's security requirements are not met and upon Manufacturer's request, Ordering Activity

will run a self-assessment with tools provided by and at the direction of Manufacturer ("Self-Assessment") to verify Ordering Activity's compliance with this Agreement.

- (e) **Termination.** Clauses in the Manufacturer EULA referencing termination or cancellation the Manufacturer's EULA are hereby deemed to be deleted. Termination shall be governed by the FAR 52.212-4 and the Contract Disputes Act, 41 U.S.C. §§ 601-613, subject to the following exceptions:

Carahsoft may request cancellation or termination of the License Agreement on behalf of the Manufacturer if such remedy is granted to it after conclusion of the Contracts Disputes Act dispute resolutions process referenced in Section Q below or if such remedy is otherwise ordered by a United States Federal Court..

- (f) **Consent to Government Law / Consent to Jurisdiction.** Subject to the Contracts Disputes Act of 1978 (41 U.S.C §§ 7101-7109) and Federal Tort Claims Act (28 U.S.C. §1346(b)). The validity, interpretation and enforcement of this Rider will be governed by and construed in accordance with the laws of the United States. In the event the Uniform Computer Information Transactions Act (UCITA) or any similar federal laws or regulations are enacted, to the extent allowed by law, it will not apply to this Agreement, and the governing law will remain as if such law or regulation had not been enacted. All clauses in the Manufacturer EULA referencing equitable remedies are deemed not applicable to the Government order and are therefore deemed to be deleted.
- (g) **Force Majeure.** Subject to FAR 52.212 -4 (f) Excusable delays. (JUN 2010). Unilateral Termination by the Contractor does not apply to a Government order and all clauses in the Manufacturer EULA referencing unilateral termination rights of the Manufacturer are hereby deemed to be deleted.
- (h) **Assignment.** All clauses regarding Assignment are subject to FAR Clause 52.232-23, Assignment of Claims (JAN 1986) and FAR 42.12 Novation and Change-of-Name Agreements, and all clauses governing Assignment in the Manufacturer EULA are hereby deemed to be deleted.
- (i) **Waiver of Jury Trial.** All clauses referencing waiver of Jury Trial are subject to FAR Clause 52.233-1, Disputes (JUL. 2002), and all clauses governing waiver of jury trial in the Manufacturer EULA are hereby deemed to be deleted.
- (j) **Customer Indemnities.** All Manufacturer EULA clauses referencing Customer Indemnities are hereby deemed to be deleted.
- (k) **Contractor Indemnities.** All Manufacturer EULA clauses that (1) violate DOJ's right (28 U.S.C. 516) to represent the Government in any case and/or (2) require that the Government give sole control over the litigation and/or settlement, are hereby deemed to be deleted.
- (l) **Renewals.** All Manufacturer EULA clauses that violate the Anti-Deficiency Act (31 U.S.C. 1341, 41 U.S.C. 11) ban on automatic renewal are hereby deemed to be deleted.
- (m) **Future Fees or Penalties.** All Manufacturer EULA clauses that violate the Anti-Deficiency Act (31 U.S.C. 1341, 41 U.S.C. 11), which prohibits the Government from paying any fees or penalties beyond the Contract

amount, unless specifically authorized by existing statutes, such as the Prompt Payment Act, or Equal Access To Justice Act 31 U.S.C. 3901, 5 U.S.C. 504 are hereby deemed to be deleted.

- (n) **Taxes.** Taxes are subject to FAR 52.212-4(k), which provides that the contract price includes all federal, state, local taxes and duties.
- (o) **Third Party Terms.** Subject to the actual language agreed to in the Order by the Contracting Officer. Any third party manufacturer will be brought into the negotiation, or the components acquired separately under Federally-compatible agreements, if any. Contractor indemnities do not constitute effective migration.
- (p) **Installation and Use of the Software.** Installation and use of the software shall be in accordance with the Rider and Manufacturer EULA, unless an Ordering Activity determines that it requires different terms of use and Manufacturer agrees in writing to such terms in a valid task order placed pursuant to the Government contract.
- (q) **Dispute Resolution and Venue.** Any disputes relating to the Manufacturer EULA and to this Rider shall be resolved in accordance with the FAR, and the Contract Disputes Act, 41 U.S.C. §§ 7101-7109. The Ordering Activity expressly acknowledges that Carahsoft, on behalf of the Manufacturer, shall have standing to bring such claim under the Contract Disputes Act.
- (r) **Limitation of Liability: Subject to the following:**

Carahsoft, Manufacturer and Ordering Activity shall not be liable for any indirect, incidental, special, or consequential damages, or any loss of profits, revenue, data, or data use. Further, Carahsoft, Manufacturer and Ordering Activity shall not be liable for punitive damages except to the extent this limitation is prohibited by applicable law. This clause shall not impair the U.S. Government's right to recover for fraud or crimes arising out of or related to this Government Contract under any federal fraud statute, including the False Claims Act, 31 U.S.C. §§ 3729-3733.
- (s) **Advertisements and Endorsements.** Unless specifically authorized by an Ordering Activity in writing, such use of the name or logo of any U.S. Government entity is prohibited.
- (t) **Public Access to Information.** Manufacturer agrees that the EULA and this Rider contain no confidential or proprietary information and acknowledges the EULA and this Rider will be available to the public.
- (u) **Confidentiality.** Any provisions that require the Licensee to keep certain information confidential are subject to the Freedom of Information Act, 5 U.S.C. §552, and any order by a United States Federal Court.

In the event a program warranty deficiency shall be reported within the Warranty Period, the LICENSOR shall make all reasonable efforts to rectify the same within ninety (90) days, or if correction of the Licensed Program is reasonably not possible, replace the defective Licensed Program free of charge. If neither of the foregoing is commercially practicable, LICENSOR shall terminate this Agreement with respect to the non-conforming program and refund the monies paid by LICENSEE for that non-conforming program. The foregoing are LICENSEE's sole and exclusive remedies for breach of warranty. Any unauthorized modifications, alterations or additions to the Licensed Program that causes it to deviate from the Documentation shall invalidate the Warranty provided herein.

4.2 **Disclaimers.** THE WARRANTIES SET FORTH IN THIS SECTION ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. If LICENSEE grants a security interest in the Licensed Program or service to any third party, without prior written approval from LICENSOR, the third party will not have any right or interest in the License granted under this Agreement and the LICENSEE shall be liable for damages. The rights and remedies available to the LICENSEE under this Agreement are non-transferable and cannot be availed by any third party, which is not a party to this Agreement. If LICENSEE desires to use the programs after the thirty (30) day trial period, LICENSEE shall first obtain the License from the LICENSOR. In the event LICENSEE do not obtain a License, LICENSEE shall cease to use the programs and delete all the programs from the designated systems and return or destroy all the bench mark results and related documentation, whether provided by LICENSOR or conceived by the LICENSEE, during the trial period. LICENSOR does not grant any rights and LICENSEE does not acquire any rights by using the trial program.

6. Exclusive Remedies.

6.1 Equitable Relief. LICENSEE acknowledges and agrees that unauthorized Use or transfer of the Licensed Programs or Proprietary Information may substantially diminish the value of such materials and irrevocably harm LICENSOR; therefore, if LICENSEE breaches the provisions of this License, LICENSOR shall be entitled to equitable relief, including, but not limited to obtaining injunctive relief, in addition to other remedies afforded by law, to prevent a breach of the License.

7. Indemnity

7.1 Infringement Indemnity by LICENSOR. LICENSOR will defend and indemnify LICENSEE against any and all third party claims that the Licensed Program, exclusive of any modifications or alterations not created or implemented by LICENSOR, infringes a United States copyright or patent. LICENSEE shall promptly notify LICENSOR in writing of any such claim and to allow LICENSOR to control the defense and all related settlement negotiations. LICENSEE will provide LICENSOR with the assistance, information and authority necessary to perform LICENSOR'S obligations under this Section. LICENSOR'S obligation to defend and indemnify does not extend to any claim of infringement based on use of a superseded or altered release of the Licensed Program if the infringement would have been avoided by LICENSEE'S use of a current unaltered release of the Licensed Program which LICENSOR provided to LICENSEE. If the Licensed Program, exclusive of any modifications or alterations not created or implemented by LICENSOR, is held or is believed by LICENSOR more likely than not to infringe a copyright or patent or other intellectual property right, LICENSOR shall have the option, at its expense, to (a) modify the Licensed Program to be non-infringing; or (b) obtain for LICENSEE a license to continue using the Licensed Program. If it is not commercially reasonable to perform either of the above options, then LICENSOR may terminate the License and refund the license fees paid for the infringing Licensed Program without any additional liability to the LICENSEE. This Section states the LICENSOR'S entire liability and LICENSEE'S sole remedy for any infringement claims.

7.2 Indemnification by LICENSEE. LICENSEE agrees to defend, indemnify and hold LICENSOR, its personnel, and officers harmless from and against any and all claims, demands, and actions, and any liabilities, damages, or expenses resulting therefrom, including court and administrative costs and attorney fees, arising out of any act or omission attributable to LICENSEE or its staff, agents, officers, etc., for violation by Licensee for any applicable law, or breach of this Agreement by LICENSEE, or for any unauthorized use of the Licensed Program or against any and all infringement claims by the third parties challenging the infringement of their Intellectual Property Rights by virtue of the modifications or alterations to the Licensed Program not created or implemented by LICENSOR or relating to the acts or omissions of LICENSEE or LICENSEE'S officers, agents, employees or contractors.

8. Term and Termination.

8.1 Term & Termination. This License shall commence upon the date the last party executes this License and shall continue, unless terminated pursuant to this Section. Either party may terminate this Agreement without cause upon fifteen (15) days written notice to the other party.

8.2 Termination by Licensor. LICENSOR may terminate this Agreement forthwith in the event the LICENSEE is in material breach of this Agreement and such breach remains uncured for a period of (30) days from the date of notice of such breach If LICENSEE or any other person or entity is found to have unauthorized possession and/or Use of the Licensed Program, and such unauthorized possession and/or Use is attributable to the act, omission or default of LICENSEE, its officers, employees, sub-contractors or agents, the Termination shall be immediate and effective as of the date of the notice of termination of License by the LICENSOR.

8.3 Effect of Termination. Termination of this License or any license shall not limit either party from pursuing other remedies available to it, including injunctive relief. Termination shall not relieve LICENSEE'S obligations to pay all fees that have accrued or are otherwise owed by LICENSEE under this License or any Services. The provisions of this Agreement relating to payment of fees, confidentiality, indemnification, Limitation of Liability, Governing Law and Arbitration and other such terms intended to

survive by their nature shall survive even after termination of this License. Upon termination of this License, LICENSEE shall immediately cease using, and shall promptly return to LICENSOR, all copies of the Licensed Program, and Documentation.

9. Limitation of Liability: NOTWITHSTANDING ANYTHING TO THE CONTRARY ELSEWHERE CONTAINED, AND WHETHER OR NOT LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS, LICENSOR SHALL NOT BE LIABLE IN CONTRACT, TORT (INCLUDING BUT NOT LIMITED TO WARRANTY, NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE FOR (A) ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL LOSS OR DAMAGES; (B) LOSS OF REVENUE, PROFITS, BUSINESS OR GOODWILL; (C) LOSS OF AVAILABILITY; OR (D) DAMAGE TO, LOSS OF OR CORRUPTION OF DATA, HOWEVER CAUSED, WHICH ARISES OUT OF OR IN CONNECTION WITH THIS LICENSE, THE LICENSED PROGRAM (INCLUDING BUT NOT LIMITED TO USE OR INABILITY TO USE THE LICENSED PROGRAM), SERVICES, ANY PURCHASE ORDER OR ANY MAINTENANCE AND SUPPORT. SUBJECT TO THE FOREGOING AND NOTWITHSTANDING ANYTHING TO THE CONTRARY ELSEWHERE CONTAINED THE MAXIMUM AGGREGATE LIABILITY OF LICENSOR IN RELATION TO THIS AGREEMENT SHALL BE EQUIVALENT TO THE LICENSE FEE PAID BY THE LICENSEE UNDER THIS AGREEMENT AND IN NO EVENT SHALL THE LIABILITY OF LICENSOR EXCEED THE AMOUNT OF FEE PAID TO THE LICENSOR.

10. Fees and Payment Provisions: In consideration for the License granted by LICENSOR under this License and/or any Services, LICENSEE shall pay LICENSOR fees and expenses as set forth in a Purchase Order issued in conjunction with this Agreement. All License and support fees shall be payable within 30 days from date of invoice without any set-off or deductions. All the fees paid or payable shall be exclusive of the taxes and LICENSEE agrees to pay all requisite taxes, duties, permit fees and other charges levied or imposed or payable under any statute to the state or federal governments by reason of the export of licenses or services provided in this License or on LICENSEE'S Use of the Licensed Program in accordance with the applicable laws.

11. Reporting, Publicity and Reference.

11.1 Reporting. LICENSEE shall promptly report to LICENSOR all errors, difficulties or perceived problems that LICENSEE encounters in using the Licensed Program by sending an e-mail message to support@solix.com or by sending a Facsimile Transmission to (408) 884-2249, unless and until provided with new contact information by LICENSOR. Both parties agree to treat reports provided to or from LICENSOR as Proprietary Information.

11.2 Publicity and Logo Usage. LICENSEE agrees to allow LICENSOR to include LICENSEE'S name and/or logo in LICENSOR'S marketing materials, advertisements, sales presentations, and on LICENSOR'S web site, and to link to LICENSEE'S web site on the World Wide Web. It is understood that LICENSEE has the right to withdraw this grant for valid business reasons at any point of time. Nothing in this License shall be construed to grant either party any right, title or interest in the name or logo of the other party beyond that granted herein.

12. Conflict of Interest, Confidentiality and Security.

12.1 No Conflict of Interest. Neither LICENSEE nor its parent, subsidiary or otherwise affiliated companies are in the business of, or in the development stages of, manufacturing or marketing programs or products that compete with the Licensed Program.

12.2 Confidentiality. By virtue of this License, each party hereto may have access to information that is confidential to the other party (Proprietary Information). Unless otherwise agreed to in a separate writing executed by each of the parties hereto, Proprietary Information shall include, without limitation, the Licensed Program, the terms and pricing under this License, and all information disclosed by the disclosing party as confidential, including information disclosed before the execution of this License.

LICENSEE shall not disclose the results of any benchmark tests of the Licensed Program to any third party without LICENSOR'S prior written approval. Each party shall disclose Proprietary Information only to its employees or contractors who have a need to know and are bound by obligations of confidentiality. The parties agree to hold each other's Proprietary Information in confidence during the term of this License and at all times after termination of this License. On the earlier termination of this Agreement or LICENSOR'S written request, LICENSEE shall cease use of Proprietary Information and return or destroy all Proprietary Information disclosed by LICENSOR. The parties agree, unless required by law, not to make each other's Proprietary Information available in any form to any third party for any purpose without the express written consent of the party who disclosed the information, unless requesting such consent and thereby notifying the disclosing party of the third party inquiry is expressly prohibited by law or legal authority. Each party shall protect the Proprietary Information, using the same degree of care as it uses to protect its own confidential information, but no less than a reasonable degree of care. Each party shall use a similar degree of care to ensure that Proprietary Information is not disclosed or distributed by its employees or agents in violation of the terms of this License. The parties' obligations under this clause are perpetual and shall survive termination and neither party shall be relieved of its obligations hereunder, unless the other party releases such obligations in writing.

12.2.1 A party's Proprietary Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party who has affirmatively represented to the other party that it is without restriction on disclosure; or (d) is independently developed by the other party.

12.3 Security Measures. LICENSEE acknowledges and agrees that maintaining the confidentiality and secrecy of Trade Secrets and Technical Information are of the utmost importance to LICENSOR and that any disclosure of Trade Secrets or Technical Information may diminish the value and strength of the Trade Secrets and Technical Information. LICENSEE shall take all steps, using the same degree of care, but no less than a reasonable degree of care, as it uses to protect its own confidential information, that are reasonably necessary to protect the secrecy of the Trade Secrets and Technical Information and prevent them from entering the public domain or falling into the hands of others not bound by this License or pledged to secrecy.

13. General Terms.

13.1 Governing Law and Arbitration. In the event of any dispute arising out of or relating to this License, or any Purchase Order or any other agreement, the dispute shall be referred to binding arbitration and the arbitration shall be in accordance with the rules of the American Arbitration Association. The venue for arbitration shall be in Santa Clara County, California. LICENSOR and LICENSEE, before entering arbitration, shall each appoint an arbitrator and these two shall select a third arbitrator to be a member of the panel. If the two are not able to agree then the American Arbitration Association shall make the appointment of a person that is neutral to the controversy. None of the arbitrators shall be officer or employees of the parties. Such arbitrators shall, to the extent reasonable practicable, be recognized experts in the computer software field. The cost of the arbitration shall be borne equally by the parties and each party shall bear its own attorney fees and costs. The award of the arbitration panel shall be final and binding and may be entered as a judgment in any court of competent jurisdiction. 13.4 **Waiver.** No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by this Agreement will be effective unless it is in writing and signed by the waiving party. No waiver of any breach, failure, right, or remedy will be deemed a waiver of any other breach, failure, right, or remedy, whether or not similar, nor will any waiver constitute a continuing waiver unless the writing so specifies.

To the extent that the terms of any such Purchase Order or any other supplement to this Agreement conflict with the terms of this Agreement, this Agreement shall control. Nothing in this License is intended to create, and nothing herein shall be construed to create, any form of agency, partnership or joint venture between LICENSOR and LICENSEE, or to grant either party any right, title or interest not specifically set forth herein. Neither party will have, nor will it represent itself to have, any authority to bind the other party or act on its behalf. No party has been induced to enter into this License by, nor is any party relying on, any representation or warranty outside those expressly set forth in this License.

13.6 **Force Majeure.** Neither party shall be in default or otherwise liable for any delay in or failure of its performance under this License if such delay or failure arises by any reasons beyond its reasonable control, including any act of God, any acts of the common enemy, the elements, earthquakes, floods, fires, epidemics, riots, failures or delay in transportation or communications or utilities, or any act or failure to act by the other party or such other party's officers, employees, agents or contractors; provided, however, that lack of funds shall not be deemed to be a reason beyond a party's reasonable control.
