Learn What RePath Provides Users

Treatment court works, but resources are limited.

What if you had a curated tool that was suited per individual user?

RePath can bridge that gap for you.

RePath is an ACCOUNTABILITY app placed on a participant's smartphone, providing officers a brighter path to assist individuals struggling with addictions in treatment courts.

RePath Provides

- More visibility into client behavior.
- Focused resources for those that need them most.
- Secure communication is available anytime.
- Mobile monitoring from anywhere.
- Automate time-consuming administrative tasks.
- Assurances that participants are complying with terms for accountability.
- Data-driven evidence is provided in real-time.
