8.0 Contractor Business Models; Roles and Responsibilities

1. Contractor may use one of three models, or a combination thereof, to provide Products and Services to Authorized Purchasers under this Agreement: (A) direct provision of Contractor's Products and Services, with or without Subcontractors (as that term is defined below), (B) offering of Fulfillment Partner Products and Services or (C) pass through of cloud service provider solutions.
 - a. Where Contractor provides Contractor's Products and Services directly to Authorized Purchasers, Contractor may, with the prior written consent of the Director, utilize Subcontractors. As used in this Participating Addendum, Subcontractor shall mean an entity having an arrangement with Contractor, whereby Contractor uses the Products and/or Services of that entity to fulfill some of its obligations under this Agreement. Authorized Purchasers do not pay Subcontractors directly. Where Contractor utilizes a Subcontractor, Contractor shall provide to the State items 1 and 9, as enumerated in Section 14.0, The State of New Jersey Mandatory Certification Requirements, of this Participating Addendum ("Subcontractor Certifications") for each proposed Subcontractor along with Contractor's written request for approval thereof.
 - i. Where a Subcontractor is approved, Contractor may not substitute another Subcontractor without the prior written consent of the Director and until Contractor provides to the State Subcontractor Certifications for the new proposed Subcontractor along with Contractor's written request for approval thereof.
 - ii. If, at the time of the execution of the Agreement, Contractor is generally utilizing a subcontractor to provide technical support and/or other non-contract related Services to its customers, such subcontractor need not be disclosed, and Contractor may substitute a different subcontractor without the Director's prior approval.
 - b. In the event Contractor offers Fulfillment Partner Products and Services to Authorized Purchasers, each Fulfillment Partner must be approved by the State. Such approved Fulfillment Partner may, to the extent authorized by Contractor, fulfill any of the requirements of this Master Agreement including but not limited to providing Products and Services under the Agreement and directly invoicing and receiving payment from Authorized Purchasers. A Fulfillment Partner has no authority to amend this Agreement or to bind Contractor, State, or Authorized Purchasers to any additional terms and conditions.
 - i. Contractor may add Fulfillment Partners to its Participating Addendum at any time during the contract term, upon the written consent of the Director. To add a Fulfillment Partner, Contractor shall submit to the State a written request with:
 1. Evidence that all Products and Services were approved by the Lead State under the Master Agreement; and
 2. Items 1 through 9, as enumerated in Section 14.0, The State of New Jersey Mandatory Certification Requirements, of this Participating Addendum for each Fulfillment Partner.
 - ii. In the event Contractor submits a written request to delete a Fulfillment Partner's Products and Services from the scope of Contractor's Participating Addendum, Contractor shall provide State and Authorized Purchaser(s) at least thirty (30) days' advance written notice of the request and shall, upon State or Authorized Purchaser request, provide State and Authorized Purchaser(s) assistance and advice regarding the exit and/or transition strategy for all digital content and Data (as that term is defined in the Original Master Agreement) affected by the requested deletion at no cost to the State or Authorized Purchaser. If the State approves the request to delete a Fulfillment Partner:
 1. The deletion shall not terminate the Participating Addendum or other Products and Services unaffected by the deletion, however, such Fulfillment Partner deletion shall be deemed a termination for cause for

- purposes of digital content and Data retention and destruction discussed in Section 7, Termination and Suspension of Service, in the applicable Exhibit to the Original Master Agreement; and
2. In the event of any pre-paid fees for Products or Services to Contractor or Fulfillment Partner affected by the deletion, such Fulfillment Partner deletion shall be deemed a termination for cause as to those pre-paid fees for purposes of Section 5.0(4) of this Participating Addendum.
- c. With the prior written consent of the Director, Contractor may pass through or resell third party cloud service provider Products and Services to Authorized Purchasers. Where Contractor is passing through third party cloud service provider Products and Services, the cloud service provider shall only provide web-based computing capabilities and related remote technical support. Authorized Purchasers shall not pay cloud service providers directly and cloud service providers shall not be deemed Subcontractors.
- i. Where a third party cloud service provider is approved, Contractor may not substitute another cloud service provider without the prior written consent of the Director.
 - ii. In the event Contractor submits a written request to remove a cloud service provider's Products and Services from the scope of Contractor's Participating Addendum, Contractor shall provide State and Authorized Purchaser(s) at least thirty (30) days' advance written notice of the request and shall, upon State or Authorized Purchaser request, provide State and Authorized Purchaser(s) assistance and advice regarding the exit and/or transition strategy for all digital content and Data (as that term is defined in the Original Master Agreement) affected by the requested deletion at no cost to the State or Authorized Purchaser. If the State approves the request to delete a cloud service provider:
 1. The deletion shall not terminate the Participating Addendum or other Products and Services unaffected by the deletion, however, such cloud service provider deletion shall be deemed a termination for cause for purposes of digital content and Data retention and destruction discussed in Section 7, Termination and Suspension of Service, in the applicable Exhibit to the Original Master Agreement; and
 2. In the event of any pre-paid fees for Products or Services to Contractor or Fulfillment Partner affected by the deletion, such cloud service provider Partner deletion shall be deemed a termination for cause as to those pre-paid fees for purposes of Section 5.0(4) of this Participating Addendum.
2. Regardless of the model used and whether prior approval is required or given, Contractor shall remain primarily responsible to the State and Authorized Purchasers for all Products and Services provided to the State under the Agreement including, but not limited to: (I) performance; (II) compliance with all of the terms and conditions of the Agreement and (III) compliance with the requirements of all applicable laws. Furthermore, Contractor's use of one or more Subcontractors, Fulfillment Partners, or cloud service providers does not create privity of contract between any of the Subcontractors, Fulfillment Partners, or cloud service providers and the State.
 3. This Participating Addendum may not be subcontracted or assigned by the Contractor, in whole or in part, without the prior written consent of the Director, which shall not be unreasonably withheld.
 4. For the avoidance of doubt, the Contractor shall be responsible for obtaining all required forms outlined in Section 14.0, The State of New Jersey Mandatory Certification Requirements, of this Participating Addendum from each Subcontractor or Fulfillment Partner and submit the required forms to the State along with Contractor's written request for approval thereof. The State will not accept forms directly from a Subcontractor or Fulfillment Partner.

3. All orders and payments will be issued to either the Contractor or the Fulfillment Partner and shall be in accordance with the terms set forth in the Agreement, as amended by this Section 9.0 of this Participating Addendum.
4. As stated in Section 5.0 Termination of Contract, Orders shall not automatically renew.
5. The State of New Jersey's obligation to make payment under the Agreement is contingent upon the availability of appropriated funds and receipt of revenues from which payment for contract purposes can be made. No legal liability on the part of the State of New Jersey for payment of any money shall arise unless and until funds are appropriated each fiscal year to the using agency which is an Authorized Purchaser by the New Jersey State Legislature and made available through receipt of revenues. Notwithstanding the foregoing, the parties agree that performance under this contract is contingent upon the appropriation of funds.
6. Contractors or Fulfillment Partners may be paid by the State through the Procurement card (p-card) at the time the original order is placed. P-card transactions do not require the submission of either a contractor invoice or a State payment voucher. Purchasing transactions utilizing the p-card will usually result in payment to the Contractor or the Fulfillment Partners in three (3) days. The Contractor and the Fulfillment Partner should take note that there will be a transaction processing fee for each p-card transaction. To participate, the Contractor or Fulfillment Partner must be capable of accepting the applicable credit card.
7. Payments shall be made to the Contractor or Fulfillment Partners pursuant to the provisions of the New Jersey Prompt Payment Act, N.J.S.A. 52:32-32 et seq. The Act requires state agencies to pay for goods and services within sixty (60) days of the state agency's receipt of a properly executed State Payment Voucher. Interest will be paid on delinquent accounts at a rate established by the New Jersey State Treasurer (the "State Treasurer"). Interest will not be paid until it exceeds \$5.00 per properly executed invoice.
8. Cash discounts and other payment terms included as part of the Agreement are not affected by the New Jersey Prompt Payment Act.
9. Contractor and Fulfillment Partners are encouraged to offer cash discounts based on expedited payment by the State. The State will make efforts to take advantage of discounts, but discounts will not be considered in determining the lowest quote.

Discount periods shall be calculated starting from the next business day after the recipient has accepted the goods or services received a properly signed and executed State Payment Voucher form and, when required, a properly executed performance security, whichever is latest.
10. The date on the check issued by the State in payment of that Voucher shall be deemed the date of the State's response to that Voucher.
