HELPING FINANCE STOP WASTING MONEY ON TELECOM BILLS AND IT TEAMS KEEP THEIR SANITY

Dealing with technology expenses, lifecycle management, and carriers is no fun, but Intratem makes it straightforward and does most of the work for you.

Complexity

The Problem

Managing multiple vendors, contracts, and cost center allocations.

The Solution

Intratem provides a unified platform for mobile and telecom management, offering clear visibility and simple operations.

Manual Processes

The Problem

Manual processes are prone to errors and consume valuable time.

The Solution

Intratem managed services take the burden away, automates workflows, order management, approvals, deployment, and inventory updates, reducing errors and saving resources.

Integration Challenges

The Problem

TEM solutions often fail to integrate with ITSM, HRIS, BI, and ERP systems, creating disconnected workflows and reporting.

The Solution

Intratem seamlessly connects TEM with enterprise systems, enabling synchronized data and efficient processes.

Lack of Timely Support

The Problem

Waiting on carriers or struggling to resolve support requests internally.

The Solution

Intratem's dedicated 24/7/365 support team handles carrier communications, end-user support and escalations, saving time and reducing stress.

Scaling Issues

The Problem

Many TEM solutions struggle to meet the needs of growing businesses with or without global operations.

The Solution

Intratem supports regional and global scalability with multi-currency, multi-language, and extensive carrier integrations.

High Costs Without ROI

The Problem

Businesses often spend more on TEM solutions than they save.

The Solution

Intratem drives cost reductions through optimized expense tracking, invoice audits, and usage management, ensuring a positive ROI. In many cases, we contractually guarantee savings of up to 40%.

Experience TEM That Works for You.

Intratem eliminates the frustration of TEM, empowering your organization to focus on growth while ensuring telecom expenses and management are under control.
