As between the parties, Customer retains all Intellectual Property Rights in Customer Data and Customer Applications, and Google retains all Intellectual Property Rights in the Services and Software.
 - 4.2 **Feedback.** At its option, Customer may provide feedback and suggestions about the Services to Google (“Feedback”). If Customer provides Feedback, then Google and its Affiliates may use that Feedback without restriction and without obligation to Customer.
5. **Confidentiality.**

- 5.1 Use and Disclosure of Confidential Information. The Recipient will only use the Disclosing Party's Confidential Information to exercise its rights and fulfill its obligations under the Agreement, and will use reasonable care to protect against the disclosure of the Disclosing Party's Confidential Information. Notwithstanding any other provision in the Agreement, the Recipient may disclose the Disclosing Party's Confidential Information (a) to its Delegates who have a need to know and who are bound by confidentiality obligations at least as protective as those in this Section 5 (Confidentiality); (b) with the Disclosing Party's written consent; or (c) subject to Section 5.2 (Legal Process), as strictly necessary to comply with Legal Process.

Google acknowledges that the Customer may be subject to and must comply with the Freedom of Information Act (FOIA) or similar Open Records/Sunshine law.
6. **Marketing and Publicity.** Customer may state publicly that it is a Google customer and display Google Brand Features in accordance with the Trademark Guidelines. Google may use Customer's name and Brand Features in online or offline promotional materials of the Services. Each party may use the other party's Brand Features only as permitted in the Agreement. Any use of a party's Brand Features will inure to the benefit of the party holding Intellectual Property Rights to those Brand Features.

8. **Disclaimer.** Except as expressly provided for in the Agreement, to the fullest extent permitted by applicable law, Google (a) does not make any warranties of any kind, whether express, implied, statutory, or otherwise, including warranties of merchantability, fitness for a particular use, noninfringement, or error-free or uninterrupted use of the Services or Software and (b) makes no representation about content or information accessible through the Services.
9. **Indemnification.**
- 9.1 Google Indemnification Obligations. Google will defend Customer and its Covered Affiliates, and indemnify them against Indemnified Liabilities in any Third-Party Legal Proceeding to the extent arising from an allegation that the Google Indemnified Materials used in accordance with the Agreement infringe the third party's Intellectual Property Rights.
- 9.2 Customer Indemnification Obligations. Subject to applicable federal or state law, and without waiving sovereign immunity, Customer will defend Google and its Affiliates providing the Services and indemnify them against Indemnified Liabilities in any Third-Party Legal Proceeding to the extent arising from (a) any Customer Indemnified Materials or (b) Customer's or an End User's use of the Services in breach of the AUP or the Use Restrictions. This section will not apply if the Customer is prohibited from agreeing to any vendor indemnification requirement.
- 9.3 Indemnification Exclusions. Sections 9.1 (Google Indemnification Obligations) and 9.2 (Customer Indemnification Obligations) will not apply to the extent the underlying allegation arises from (a) the indemnified party's breach of the Agreement or (b) a combination of the Google Indemnified Materials or Customer Indemnified Materials (as applicable) with materials not provided by the indemnifying party under the Agreement, unless the combination is required by the Agreement.
- 9.4 Indemnification Conditions. Sections 9.1 (Google Indemnification Obligations) and 9.2 (Customer Indemnification Obligations) are conditioned on the following:

- (a) Any indemnified party must promptly notify the indemnifying party in writing of any allegation(s) that preceded the Third-Party Legal Proceeding and cooperate reasonably with the indemnifying party to resolve the allegation(s) and Third-Party Legal Proceeding. If breach of this Section 9.4(a) prejudices the defense of the Third-Party Legal Proceeding, the indemnifying party's obligations under Section 9.1 (Google Indemnification Obligations) or 9.2 (Customer Indemnification Obligations) (as applicable) will be reduced in proportion to the prejudice.
- (b) Any indemnified party must tender sole control of the indemnified portion of the Third-Party Legal Proceeding to the indemnifying party, subject to the following: (i) the indemnified party may appoint its own non-controlling counsel, at its own expense; and (ii) any settlement requiring the indemnified party to admit liability, pay money, or take (or refrain from taking) any action, will require the indemnified party's prior written consent, not to be unreasonably withheld, conditioned, or delayed.

9.5 Remedies.

- (a) If Google reasonably believes the Services might infringe a third party's Intellectual Property Rights, then Google may, at its sole option and expense, (i) procure the right for Customer to continue using the Services, (ii) modify the Services to make them non-infringing without materially reducing their functionality, or (iii) replace the Services with a non-infringing, functionally equivalent alternative.
- (b) If Google does not believe the remedies in Section 9.5(a) are commercially reasonable, then Google may Suspend or terminate the impacted Services. If Google terminates Services under this Section 9.5 (Remedies), then upon Customer request (i) Google will refund to Customer any unused prepaid Fees that Customer paid to Google for use of the terminated Services, and (ii) if Customer has made financial commitments in an Order Form or addendum to the Agreement, then Google will agree to amend such commitments proportional to Customer's spend on the terminated Services in the year preceding the termination of the Services. For Federal Entities, if Google does not believe the remedies in Section 9.5(a) are commercially reasonable, the parties recognize that the provisions of 28 U.S.C. § 1498 will apply to the resolution of any patent or copyright claim made by the patent or copyright owner.

9.6 Sole Rights and Obligations. Without affecting either party's termination or Suspension rights, this Section 9 (Indemnification) states the parties' sole and exclusive remedy under the Agreement for any third-party allegations of Intellectual Property Rights infringement covered by this Section 9 (Indemnification).
