Last Updated: August 16, 2023

This Snowflake U.S. Government Commercial Compliance Access Terms Addendum (this “**U.S. Government Commercial Compliance Access Terms Addendum**”) supplements, as applicable, the Snowflake Reseller U.S. Public Sector Access Terms or such other terms and conditions that govern Your use of the Snowflake Offerings (“**Use Terms**”) entered into by and between you and an authorized Snowflake Reseller (“**Reseller**”) and apply with respect to Your use of the Snowflake Offerings in a U.S. Government-Authorized Commercial Region. You agree that You are solely responsible for all risks arising from or relating to any Customer Data, Your Materials, Reader Accounts or any product or service You offer that is used in connection with the Service, and hereby represent and warrant that any Customer Data, Your Materials, Reader Accounts or any product or service You offer that is used in connection with the Service will not violate the Use Terms, this U.S. Government Commercial Compliance Access Terms Addendum or applicable law; infringe or misappropriate any third-party rights; or cause harm to any third party or Snowflake.

 - c. **Governing Law.** Notwithstanding anything to the contrary in the Use Terms, if You are the U.S. Federal Government or an agency thereof, this U.S. Government Commercial Compliance Access Terms Addendum will be governed by the federal laws of the United States and jurisdiction and venue for actions related to the subject matter hereof will be the United States federal courts; and if You are a U.S. State Government or an agency thereof, this U.S. Government Commercial Compliance Access Terms Addendum will be governed by the laws of that State.

If Reseller is so required to disclose Your Confidential Information, then Reseller shall, to the extent permitted, provide You with advance written notification and cooperate in any effort to obtain confidential treatment of such Confidential Information.

- d. **Severability; Interpretation.** If a court of competent jurisdiction holds any provision of this U.S. Government Commercial Compliance Access Terms Addendum to be unenforceable or invalid, that provision will be limited to the minimum extent necessary so that this U.S. Government Commercial Compliance Access Terms Addendum will otherwise remain in effect. Section headings are inserted for convenience only and shall not affect the construction of this U.S. Government Commercial Compliance Access Terms Addendum.

- e. **Entire Agreement; Conflict.** This U.S. Government Commercial Compliance Access Terms Addendum together with the Use Terms (as may be amended in accordance with their terms) are the complete and exclusive statement of the mutual understanding of the parties and supersede and cancel all previous written and oral agreements and communications relating to the subject matter of this U.S. Government Commercial Compliance Access Terms Addendum.
