The Receiving Party will treat all Confidential Information of the Disclosing Party as non-public confidential information and will not disclose it to any person other than Disclosing Party and employees and contractors of Receiving Party on a need to know basis and that Receiving Party will protect the confidentiality of such Confidential Information in the same manner that it protects the confidentiality of its own proprietary and confidential information, but in no event with less than a reasonable standard of care. Licensee's use of the Products to process data is not a disclosure of Confidential Information to Forcepoint for purposes of this Section. Furthermore, neither party will use the Confidential Information of the other party for any purpose other than carrying out its rights and obligations under this Agreement. Forcepoint recognizes that Federal agencies are subject to the Freedom of Information Act, 5 U.S.C. 552, which may require that certain information be released, despite being characterized as "confidential" by the vendor.

7.2 Licensee will take all reasonable steps to safeguard the Products to ensure that no unauthorized person has access and that no unauthorized copy, publication, disclosure, or distribution, in any form is made. The Products contain valuable, confidential information and trade secrets and unauthorized use or copying is harmful to Forcepoint. Licensee will not itself, or through any affiliate, employee, consultant, contractor, agent or other third-party: (i) sell, resell, distribute, host, lease, rent, license or sublicense, in whole or in part, the Products; (ii) decipher, decompile, disassemble, reverse assemble, modify, translate, reverse engineer or otherwise attempt to derive source code, algorithms, tags, specifications, architecture, structure or other elements of the Products, in whole or in part, for competitive purposes or otherwise; (iii) allow access to, provide, divulge or make available the Products to any user other than Licensee's employees and contractors who have a need to such access and who will be bound by nondisclosure obligations that are at least as restrictive as the terms of this Agreement; (iv) write or develop any derivative works based upon the Products; (v) modify, adapt, translate or otherwise make any changes to the Products or any part thereof; (vi) use the Products to provide processing services to third-parties, or otherwise use the same on a 'service bureau' basis; (vii) disclose or publish, without Forcepoint's prior written consent, performance or capacity statistics or the results of any benchmark test performed on the Products; (viii) otherwise use or copy the same except as expressly permitted herein; (ix) use any third-party software included in the Products independently from the Forcepoint proprietary Products. Subject to the terms of this Agreement, Licensee may allow its agents and independent contractors to use the Products solely for the benefit of Licensee; provided, however, Licensee remains responsible for any breach of this Agreement. Any other use of the Products by any other entity is forbidden and a violation of this Agreement. Licensee must not use the Products to filter, screen, manage or censor Internet content for consumers without permission from the affected consumers and Forcepoint's express prior written approval, which may be withheld in Forcepoint's sole discretion. If any additional third-party end-user license agreement or open source software license agreement is (a) attached to this Agreement or the Order, or (b) included in the Product "about" file, "readme" file or Documentation, then Licensee's use of the third-party software is further restricted by and subject to such license.

This paragraph sets forth Licensee's sole and exclusive remedy and Forcepoint's entire liability for any breach of warranty or other duty related to the Products.

IN NO EVENT WILL FORCEPOINT'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE TOTAL AMOUNT ACTUALLY RECEIVED BY FORCEPOINT FOR THE LICENSEE'S APPLICABLE LICENSE TO THE PRODUCTS FOR THE PRODUCTS THAT DIRECTLY CAUSED THE LIABILITY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO (1) PERSONAL INJURY OR DEATH RESULTING FROM LICENSOR'S NEGLIGENCE; (2) FOR FRAUD; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

For clarity, the judicial department may elect to exercise its right (i.e. 28 U.S.C. 516) to represent a Public Sector Entity in any case and a Public Sector Entity may elect not to give sole control over litigation and/or settlement to Forcepoint by not requesting an indemnity from Forcepoint; provided however, that Forcepoint reserves the right to control litigation and/or settlements related to its intellectual property, including its Products.

8. **Public Access to Information.** Forcepoint agrees that the terms and conditions of the Agreement contain no confidential or proprietary information and acknowledges the Agreement may be made available to the public.

Upon termination or expiration of the Term, Customer's right to use the Products ends.

When the end user is an instrumentality of the U.S., recourse against the United States for any alleged breach of this Agreement must be made as a dispute under the contract Disputes Clause (Contract Disputes Act). During any dispute under the Disputes Clause, Forcepoint shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer. Forcepoint will have

no liability for any claim of infringement resulting from: (i) modification of the Products by anyone other than Forcepoint; (ii) a combination of the Products with other hardware or software not provided by Forcepoint; or (iii) failure by Customer to implement Software Upgrades and Database Updates. In the event the Products, in Forcepoint's opinion, are likely to or do become the subject of a claim of infringement, Forcepoint may at its sole option and expense: (x) modify the Products to be non-infringing while preserving equivalent functionality; (y) obtain a license for Customer's continued use of the Products; or (z) terminate this Agreement and the license granted hereunder, accept return of the Products and refund to Customer the unused pre-paid Maintenance or Subscription Fees paid for the affected Product applicable to the balance of the then current Term. SUBJECT TO FAR 52.212-4 (h), THIS SECTION SETS FORTH FORCEPOINT'S ENTIRE LIABILITY AND OBLIGATION AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT OR CLAIMS OF INFRINGEMENT BY THIRD PARTIES REGARDING THE PRODUCTS AND SERVICES.

If an Error has been corrected or is not present in a more current version of the Software, Forcepoint will provide the more current version via Technical Support but will not have any obligation to correct such Error in prior versions.

5.3 Technical Support may be limited to the most current release and the most recent previous sequential major release of the Software. Forcepoint reserves the right to terminate the Technical Support or increase the associated fees upon 60 days' notice should Subscriber not stay current with a supported release in accordance with this Section.

6. Intellectual Property Rights. All right, title, and interest in and to the Products, any modifications, translations, or derivatives thereof including any related scripts, tools, and know-how and all applicable intellectual property and proprietary rights thereto remain exclusively with Forcepoint or its licensors. The Products may include software products licensed from third parties. Such third parties have no obligations or liability to Subscriber under this Agreement but are third-party beneficiaries of this Agreement. Forcepoint owns any suggestions, ideas, enhancement requests, feedback, or recommendations provided by Subscriber relating to the Products. Except as otherwise expressly provided, Forcepoint grants no express or implied right under Forcepoint patents, copyrights, trademarks, or other intellectual property rights, and all rights not expressly granted to Subscriber in this Agreement are reserved to Forcepoint and its licensors. Subscriber may not remove any proprietary notice of Forcepoint or any third-party from the Products or any copy of the Products, without Forcepoint's prior written consent.

7. Protection and Restrictions.

7.1 Each party (the "Disclosing Party") may disclose to the other (the "Receiving Party") certain confidential technical and business information that the Disclosing Party desires the Receiving Party to treat as confidential. "Confidential Information" means any information disclosed by either party to the other party, either directly or indirectly, in writing, orally, electronically or by inspection of tangible objects (including prototypes, technical data, trade secrets and know-how, product plans, Products, customer lists and customer information, prices and costs, databases, inventions, processes, hardware configuration information, finances, budgets and other business information), which is designated as "Confidential," "Proprietary" or some similar designation at or prior to the time of disclosure, or that should otherwise reasonably be considered confidential by the Receiving Party. Confidential Information may also include information disclosed to a Disclosing Party by third parties. Confidential Information will not, however, include any information that the Receiving Party can document: (i) was publicly known and made generally available prior to the time of Disclosing Party's disclosure; (ii) becomes publicly known and made generally available after disclosure through no action or inaction

of the Receiving Party; (iii) is already in the Receiving Party's possession at the time of disclosure; (iv) is lawfully obtained by the Receiving Party from a third party without a breach of such third party's obligations of confidentiality; or (v) is independently developed by the Receiving Party without use of or reference to the Disclosing Party's Confidential Information. The Receiving Party will treat Disclosing Party's Confidential Information as non-public confidential information and will not disclose it to any person other than Disclosing Party and employees and contractors of Receiving Party on a need to know basis and Receiving Party will protect the confidentiality of such Confidential Information in the same manner that it protects the confidentiality of its own proprietary and confidential information, but in no event with less than a reasonable standard of care. Subscriber's use of the Products to process data is not a disclosure of Confidential Information to Forcepoint for purposes of this Section. Furthermore, neither party will use the Confidential Information of the other party for any purpose other than carrying out its rights and obligations under this Agreement.

7.2 Subscriber will take all reasonable steps to safeguard the Products to ensure that no unauthorized person has access and that no unauthorized copy, publication, disclosure, or distribution, in any form is made. The Products contain valuable, confidential information and trade secrets and unauthorized use or copying is harmful to Forcepoint. Subscriber may use the Products only for the internal business purposes of Subscriber. Subscriber may not assign more than 20 administrators to administer certain Forcepoint products. Subscriber will not itself, or through any affiliate, employee, consultant, contractor, agent or other third-party: (i) sell, resell, distribute, host, lease, rent, license or sublicense, in whole or in part, the Products; (ii) decipher, decompile, disassemble, reverse assemble, modify, translate, reverse engineer or otherwise attempt to derive source code, algorithms, tags, specifications, architecture, structure, or other elements of the Products, in whole or in part, for competitive purposes or otherwise; (iii) conduct penetration testing on or within the Products for any reason; (iv) allow access to, provide, divulge or make available the Products to any user other than Subscriber's employees and contractors who have a need to such access and who will be bound by nondisclosure obligations that are at least as restrictive as the terms of this Agreement; (v) write or develop any derivative works based upon the Products; (vi) modify, adapt, translate or otherwise make any changes to the Products or any part thereof; (vii) use the Products to provide processing services to third-parties, or otherwise use the same on a 'service bureau' basis; (viii) disclose or publish, without Forcepoint's prior written consent, performance or capacity statistics or the results of any benchmark test performed on the Products; (ix) otherwise use or copy the same except as expressly permitted herein; (x) use any third-party software included in the Products independently from the Forcepoint proprietary Products. Subject to the terms of this Agreement, Subscriber may allow its agents and independent contractors to use the Products solely for the benefit of Subscriber; provided, however, Subscriber remains responsible for any breach of this Agreement. Any other use of the Products by any other entity is forbidden and a violation of this Agreement. If any additional third-party end-user license agreement or open source software license agreement is (a) attached to this Agreement or the Order, or (b) included in the Product "about" file, "readme" file or Documentation, then Subscriber's use of the third-party software is further restricted by and subject to such license.

8. Financial Terms. Fees and payment terms are specified in the applicable Order. Except as otherwise expressly specified in the Order: (i) all recurring payment obligations start from the receipt of the Order; (ii) when the Order is placed directly with Forcepoint fees must be paid within 30 days after the invoice date; (iii) upon the expiration of each Subscription Term, the Subscription Fees will be Forcepoint's then-current commercial list price for such Products; and (iv) interest accrues on past due balances at the highest rate allowed by law. Failure to make timely payments is a material breach of the Agreement and Forcepoint will be entitled to suspend any or all of its performance obligations hereunder in accordance with the provisions of Section 12 and to modify the payment terms, including requiring full payment before Forcepoint performs any obligations in this Agreement. Subscriber will reimburse Forcepoint for any expenses incurred, including interest and reasonable attorney fees, in collecting amounts due to Forcepoint hereunder that are not under good faith dispute by Subscriber. Amounts paid or payable for Products are not contingent upon the performance of any consulting or other professional services. Forcepoint's reasonable travel and lodging expenses incurred in the performance of services on Subscriber's site will be billed separately at actual cost. Subscriber is responsible for payment of all taxes (excluding those on Forcepoint's net income) arising out of this Agreement, except to the extent a valid tax exemption certificate or other written documentation acceptable to Forcepoint to evidence Subscriber's tax exemption status is provided by Subscriber to Forcepoint prior to the delivery of Products or services.

9. Limited Warranty; Remedies; Disclaimer.

9.1 For the Subscription Term, Forcepoint warrants that the Products (other than Services Offerings), as updated from time to time by Forcepoint and used in accordance with the Documentation and the Agreement by Subscriber, will operate in substantial conformance with the Documentation under normal use. Forcepoint warrants that Services Offerings will be performed in a professional and workmanlike manner and Forcepoint will comply with all applicable laws in providing the Services Offerings. Forcepoint does not warrant that the Products will (i) be free of defects, (ii) satisfy Subscriber's requirements, (iii) operate without interruption or error, or (iv) identify every transmission or file that should potentially be located or blocked.

9.2 Subscriber must promptly notify Forcepoint in writing of a claim. Provided that such claim is reasonably determined by Forcepoint to be Forcepoint's responsibility, Forcepoint will, within 30 days of its receipt of Subscriber's written notice, (i) correct the Error or provide a workaround; (ii) provide Subscriber with a plan reasonably acceptable to Subscriber for correcting the Error; or (iii) if neither (i) nor (ii) can be accomplished with reasonable efforts from Forcepoint at Forcepoint's discretion, then Forcepoint may terminate the affected Product Subscription and Subscriber will be entitled

to a refund of the unused Subscription Fees paid for the affected Product applicable to the balance of the then-current Subscription Term. This paragraph sets forth Subscriber's sole and exclusive remedy and Forcepoint's entire liability for any breach of warranty or other duty related to the Products.

9.3 This warranty is void and Forcepoint is not obligated to provide technical support if a claimed breach of the warranty is caused by: (i) any unauthorized modification of the Products or tampering with the Products, (ii) use of the Products inconsistent with the accompanying Documentation, (iii) Subscriber's failure to use any new or corrected versions of the Product made available by Forcepoint; or (iv) breach of this Agreement by Subscriber or its users.

9.4 THE WARRANTIES SET FORTH IN THIS SECTION 9 ARE IN LIEU OF, AND FORCEPOINT, ITS LICENSORS AND SUPPLIERS EXPRESSLY DISCLAIM TO THE MAXIMUM EXTENT PERMITTED BY LAW, ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, TITLE OR FITNESS FOR A PARTICULAR PURPOSE, AND FREEDOM FROM PROGRAM ERRORS, VIRUSES OR ANY OTHER MALICIOUS CODE WITH RESPECT TO THE PRODUCTS AND SERVICES PROVIDED UNDER THIS AGREEMENT.

10. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, FORCEPOINT, ITS AFFILIATES, ITS LICENSORS OR RESELLERS WILL NOT BE LIABLE FOR (I) LOST PROFITS; (II) LOSS OF BUSINESS; (III) LOSS OF GOODWILL, OPPORTUNITY, OR REVENUE; (IV) SUBSCRIBER'S DECISIONS BASED ON ITS INTERPRETATION OF THE OUTPUT FROM THE PRODUCTS; NOR (V) ANY INDIRECT, CONSEQUENTIAL, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT WHETHER FORESEEABLE OR UNFORESEEABLE INCLUDING CLAIMS FOR USE OF THE PRODUCTS, INTERRUPTION IN USE OR AVAILABILITY OF DATA, STOPPAGE OF OTHER WORK OR IMPAIRMENT OF OTHER ASSETS, PRIVACY, ACCESS TO OR USE OF ANY ADDRESSES, EXECUTABLES OR FILES THAT SHOULD HAVE BEEN LOCATED OR BLOCKED, NEGLIGENCE, BREACH OF CONTRACT, TORT OR OTHERWISE AND THIRD-PARTY CLAIMS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL FORCEPOINT'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE TOTAL AMOUNT ACTUALLY RECEIVED BY FORCEPOINT FOR SUBSCRIBER'S APPLICABLE SUBSCRIPTION TO THE PRODUCTS OVER THE ONE YEAR PERIOD PRIOR TO THE EVENT OUT OF WHICH THE CLAIM AROSE FOR THE PRODUCTS THAT DIRECTLY CAUSED THE LIABILITY.

11. Intellectual Property Indemnification. In the event of a third-party claim, suit or proceeding against Subscriber asserting that use of the Product as permitted in this Agreement infringes a third-party's patent, copyright, or trademark right recognized in any jurisdiction where the Product is licensed, Forcepoint at its expense will defend Subscriber and indemnify Subscriber against costs, expenses (including reasonable attorneys' fees), and damages payable to any third party in any such suit or cause of action that are directly related to that claim. Forcepoint's obligation under this Section is contingent upon Subscriber providing Forcepoint with: (a) prompt written notice of the suit or claim; (b) the right to solely control and direct the defense of the claim; and (c) reasonable cooperation. Subscriber may participate in the defense at its own expense. Forcepoint will have no liability for any claim of infringement resulting from: (i) modification of the Products by anyone other than Forcepoint; (ii) a combination of the Products with other hardware or software not provided by Forcepoint; or (iii) failure by Subscriber to implement Software Updates. In the event the Products, in Forcepoint's opinion, are likely to or do become the subject of a claim of infringement, Forcepoint may at its sole option and expense: (x) modify the Products to be non-infringing while preserving equivalent functionality; (y) obtain a license for Subscriber's continued use of the Products; or (z) terminate this Agreement and the license granted hereunder, accept return of the Products and refund to Subscriber the unused Subscription Fees paid for the affected Product applicable to the balance of the then-current Subscription Term. THIS SECTION SETS FORTH FORCEPOINT'S ENTIRE LIABILITY AND OBLIGATION AND SUBSCRIBER'S SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT OR CLAIMS OF INFRINGEMENT.

12. Term and Termination.

12.1 This Agreement continues in full force and effect until the expiration or termination of the Order(s), unless otherwise terminated earlier or auto-renews as provided hereunder. All Orders are non-cancellable, and there will be no fee adjustments or refunds for any reason, including decreases in usage, during the Subscription Term. Subscriber's continued use of Cloud Services beyond the Subscription Term will renew the Subscription to Cloud Services on a month-to-month basis at Forcepoint's then-current commercial list price until terminated with at least 30 days' notice by either party unless a longer Subscription Term has been agreed upon in an Order. Upon termination or expiration of the Subscription Term, Subscriber's right to use the Products terminates. In the event the Subscription expires but is later renewed, Subscriber's renewal must include Subscription Fees for the lapsed period between the date the prior Subscription expired and the date it is renewed. In the event the prior Subscription has lapsed for one year or more, Forcepoint may charge a reinstatement fee upon renewal in addition to the Subscription Fees for the lapsed period.

12.2 Product evaluation subscriptions are available for a period of up to 30 days, and limited availability Product subscriptions may be available for the time period determined by Forcepoint. Subscriber's continued use of the Products after an evaluation or limited availability Product subscription period is subject to this Agreement.

12.3 Either party may terminate this Agreement immediately upon written notice at any time if: (i) the other party commits a non-remediable material breach of the Agreement, or if the other party fails to cure any remediable material breach or provide a written plan of cure acceptable to the non-breaching party within 30 days of being notified in writing of such breach, except for breach of payment terms, which will have a 10 day cure period; or (ii) the other party ceases business operations; or (iii) the other party becomes insolvent, generally stops paying its debts as they become due or seeks protection under any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable proceeding, or if any such proceeding is instituted against the other (and not dismissed within 90 days after commencement of one of the foregoing events). Upon notification of termination by either party, Subscriber must uninstall any Products, cease using and destroy or return all copies of the Products to Forcepoint, and to certify in writing that all known copies thereof, including backup copies, have been destroyed. Sections 1, 6-12, and 14-17 will survive the termination of this Agreement.

Subscription Fees will be Forcepoint's commercial list price at the time of the identified noncompliance and will not include the benefit of any discounts or prior pricing terms offered to Subscriber. The rights and remedies under this Section are in addition to any other rights Forcepoint may have under this Agreement. Additionally, Forcepoint may at any time, without notice, during the term of this Agreement access Subscriber's system, subject to applicable local law, to determine whether Subscriber and its users are complying with the terms of this Agreement.
