As part of the OneGov initiative, Docusign's **FedRAMP and IL4 eSignature plans** and **IAM packages** provide federal agencies with a secure, compliant, and cost-effective way to manage digital agreements. Agencies can streamline approvals, cut processing time, and eliminate paper-based delays using FedRAMP-authorized tools and centralized identity access controls.

Docusign is offering **70% off FedRAMP and IL4 eSignature plans and 50% off IAM FedRAMP plans**, making it easier to digitize workflows from data collection to storage. Reduce risk, save time, and improve the constituent experience, while going paperless.
