Case Study: King County I.T. Cuts Costs

King County Technology (KCIT) provides technology services to all 14,000 employees across King County, holding up to 200 meetings per week. KCIT standardized on Logitech room solutions for its conference rooms to make it easy for all users to adopt the technology, to support effective communication, improve meeting efficiency, drive productivity, recruit new talent, and reduce operational costs.

COST-EFFECTIVE SUPPORT SERVICES ENSURE OPTIMAL PERFORMANCE

To ensure optimal performance and product lifetime value, Logitech includes a 2-year hardware warranty on most video collaboration products at no additional cost to our customers. Additionally, we offer extended warranty coverage and value-added service and support options to ensure you have a great experience.

EXTENDED WARRANTY

Optional 1 or 3 year extended warranty for video collaboration room systems to align with depreciation and replacement cycles of most equipment.

LOGITECH SELECT

A comprehensive service plan featuring 24/7 issue resolution by product experts, advanced RMA, and Sync Insights for maximum uptime.

JUMPSTART SERVICE

Support service to assist in configuring Logitech Room Solutions for Microsoft Teams Rooms within 90 days from date of purchase.
