The parties acknowledge and agree that the State’s Acceptance of a Deliverable indicates only that the State has reviewed the Deliverable and detected no material deviations from the agreed specifications (“Deficiencies”) at that time and that the State’s Acceptance of a Deliverable does not discharge any of the Contractor’s obligations under this Agreement for the provision of Contractor Services and Deliverables per the specifications of a SOW.

5.7.1 INTERPRETATION OF DELIVERABLES
In the event of a contradiction, conflict, ambiguity or inconsistency in or between Deliverables and other documents comprising this Agreement as applicable to such Deliverable, including without limitation a Deliverable that has already received Acceptance, any such contradiction, conflict, ambiguity or inconsistency shall be resolved in favor of the latest State-approved Deliverable except in the case where a previous documented requirement is inadvertently omitted or not addressed directly in a subsequent Deliverable. The State’s contract administrator shall notify the Contractor in writing and the exclusion of a designated individual(s) shall take effect as soon as reasonably practicable provided that the parties shall first discuss alternatives to removal as may be requested by Contractor in writing, however the State reserves the right to deny entry or to request the immediate removal of any Contractor Personnel for any lawful reason from any of its facilities based on security or safety concerns. The decision of the contract administrator following such
discussions if any shall be final. This provision shall not infringe upon the right of the Contractor to employ the removed individual, nor shall the State’s rights under this provision implicate the State as a party to any of the Contractor’s obligations in the Agreement.

The State shall have the right, at no charge to the State, to interview, check the references of, and accept or reject any proposed replacements for Contractor Personnel who will be performing Contractor Services on-site at the State’s facilities prior to such Contractor Personnel replacements beginning work on the project.
