

Public Sector Procurement Vehicles & Contracts

Carahsoft serves as the master government aggregator and distributor for Palo Alto Networks. Through this partnership, we provide public sector organizations with easy access to Palo Alto Networks actionable network intelligence platform to help enhance all aspects of management, security, agility and cost control.

Carahsoft offers expertise in government procurement processes and practices, and holds numerous contracts that enable Palo Alto Networks to sell to:

- State Agencies
- Cities, Counties, and Local Government
- School Districts (K-12, and charter/private schools)
- Higher Education Institutions (universities, community and private colleges, and technical/vocational schools)
- Federal Government Agencies/Organizations

Palo Alto Networks solutions are available through the contracts and purchasing agreements highlighted below.

State and Local Government Contracts & Education Procurement Vehicles

Carahsoft holds state, city, county, and technology-specific contracts that accelerate procurement for government agencies and educational institutions. In addition, through GSA's Cooperative Purchasing Program, state, local, and tribal governments can purchase through specific GSA Schedule contracts.

Carahsoft also partners with resellers who focus on states and regions throughout the country. Through these teaming arrangements, Carahsoft and Palo Alto Networks also have access to these vehicles.
