

How Artificial Intelligence Can Help Your Agency Meet the OMB Deadline

Agencies must develop a plan to maximize employee performance by 9/30/17.

Will Your Agency Meet the OMB Deadline?

Agencies must better **leverage technology** and improve underlying business processes.

Agencies must start taking action to achieve near-term **workforce reductions** and **cost savings**.

IPsoft's AI Solution Amelia Can Help!

Amelia is a cognitive agent who can take on a **wide variety** of service desk roles and daily tasks.

Amelia can help agencies meet the 9/30 deadline by **improving productivity** and **streamlining processes**.

Free Up Valuable Resources

Old and Inefficient Processes

New and Efficient Processes

Before Amelia

Spends one week completing **10** tasks

After Amelia

Spends one week completing **16** tasks

AI Lets You Focus on Your Mission

OMB's deadline is quickly approaching – is your agency ready?

Your agency can use this tech to **focus more on its mission**, and less on the tasks that can be completed by Amelia.

Artificial intelligence can help your agency get ahead of the curve. For more information, please call (877)468-7962 or email IPsoft@carahsoft.com.
