

Serve people, not paper

More than 1,300 federal, state and local government agencies in all 50 states use DocuSign to work remotely with electronic forms, agreements, applications, correspondence management and approval processes.

Reduce cost and hassle

Get back to the mission faster by eliminating manual tasks around signing, routing and filing government paperwork. Save trees by eliminating paper. Lower integration cost and risk and achieve results faster with 350+ pre-built integrations.

Enable remote work

Deliver a better digital experience for citizens and staff through mobile-optimized electronic signatures, self-service forms and streamlined document management.

Protect your critical data and assets

DocuSign is authorized at the FedRAMP moderate level (PII/PHI data) and is in the process of requesting our DoD IL4 authorization to meet or exceed the highest security standards and protect your documents and data.

Minimize operational risk

Ensure peace-of-mind and accountability with built-in audit trails that stand up in court.

citizen complaints

The DocuSign Agreement Cloud for Government

The DocuSign Agreement Cloud for Government lets public servants focus on their mission instead of paperwork. It brings together a comprehensive set of applications and integrations to help government agencies deliver a better citizen experience, reduce costs and streamline processes.

eSignature

Securely send and sign agreements for electronic signature and maintain a complete audit trail.

DocuSign CLM

Manage documents across the agreement lifecycle before and after the signature.

DocuSign Guided Forms powered by Intelledox

Turn complicated forms into intuitive “wizard-style” interviews to capture signer information for an agreement.

Integrations

350+ pre-built integrations with the leading platforms where government work is done, including Salesforce, ServiceNow, Pega, OnBase, Laserfiche, Microsoft, Google, Box, Workday, SAP and many more.
