TOP DESIGN TIPS for Tradeshow Exhibits

Use these tips to bring your space to life and empower clients to make it their own.

6 Highs from Lows

Use low and casual seating to create a comfortable learning environment that makes clients feel at ease.

7 Power up!

Include powered products throughout your space that empower clients to recharge, relax, and relate with others.

8 In the Loop

Create an informal, inclusive setting for small group discussions with ottomans styled around an accent table.

9 Make it Pop!

Add flashes of color throughout your furnishings to attract more attention while reinforcing brand themes.
