VMware Partner Connect Program Benefits
Achieving a VMware Partner Competency allows your organization to strengthen service capabilities, and unlock valuable partner benefits including:

### PARTNER COMPANY TRAININGS

- **Financial Benefits**
  - **Advantage+ Opportunity Registration**
    This program is designed to reward Partners for value selling and leading with VMware solutions. Advantage+ protects Partners pre-sales investments on net-new opportunities.
    
    *Partners at the Advanced and Principal level are eligible.*
  
  - **ELA Preferred Pricing**
    Provides partners with VMware’s Best Price at the time of sale for qualified and approved ELA Registrations only, as part of the Advantage+ Program.
    
    - ELA Price Protection
    - ELA Fulfillment Rebate aird by product
    
    *Partners at the Advanced and Principal level are eligible.*
  
  - **Solution Rewards**
    This is a rebate program associated with the completion of Solution Competencies. The rebate percentage varies by solution area sold.
    
    *Partners at the Advanced and Principal level are eligible.*

### DIFFERENTIATION WITH CUSTOMERS AND PROSPECTS

- **Training Benefits**
  - **Incremental Training Documents**
    
    - 30% off onsite training
    - 40% off instructor-led training
    - 50% off on-demand training
    
    *Principal Partners are eligible*
  
  - **Solution Competencies**
    This is the first step in a partner’s achievement of sales and technical expertise in VMware virtualization as well as cloud computing solutions.
    
    These competencies are attained at the organizational level. They include both pre- and post-sales technical trainings as well as sales trainings.

### GROW SHARE OF WALLET

- **Master Services Competencies (MSC)**
  This competency requires achieving advanced technical certifications and proof of high-level capability and expertise as validated by your customers.
  Unlike Solution Competencies, a partner organization is obliged to demonstrate service delivery experience and capability by providing customer references for recently completed projects in order to achieve a MSC (in addition to meeting the training requirements)
Accessing VMware’s Education, Services, Training, and Certifications

How it Works
As a VMware partner you have access to VMware tools and training materials to gain a basic understanding of the VMware Virtualization Program, IT customer use cases, and technical installation procedures. Below you will find instructions on how to access the course work, videos, in-person certification programs, and online certification programs available to help you sell, install, and promote VMware solutions.

Step 1: Creating a VMware Partner Connect Account
• Start by visiting www.vmware.com/partners > click on Enroll Now and fill out the VMware Partner Network Application form to enroll in the Partner Connect Program.
• Once you are enrolled and your partner level has been approved by VMware, you may explore the partner portal for certifications and product information.

Step 2: Accessing the Online Courses
• Start by visiting www.vmware.com > click on Login > select > Partner Central and log in using your credentials > click on the Partner University tab > select Partner Individual > choose Role Based Learning and select all that apply.

ENROLLING IN ONLINE TRAINING
Click on the class you want to take and select the Learn IT or Prove IT button at the bottom of the pop up screen. Join the course by clicking Subscribe in the top right corner of the screen and the modules will become active and available for you to view.

COMPLETING ONLINE CERTIFICATIONS
Many of the modules have associated certifications. To obtain your certification, you must pass each of the module quizzes. Upon completing a module, click on the quiz link and answer the questions with 80% accuracy to pass.

INSTRUCTOR LED TRAINING
Many of the courses can be completed in a live classroom setting with an instructor. Talk with your Carahsoft representative for dates/times of upcoming trainings.

Components of a Competency
VMware Solutions Competencies offer training, enablement, and rewards to partners who achieve expertise in selling VMware virtualization and cloud solutions.
• Opportunity to differentiate your company’s expertise
• Quantifiable returns on training investments
• Increased eligibility for VMware’s Partner Network Benefits
