

i-PRO Offer to US Federal Government Purchase Guide

To receive pricing and/or to schedule an overview reach out to:
i-PRO@carahsoft.com or (888) 662-6510

i-PRO Americas delivers advanced physical security, video surveillance, and force protection solutions through a mature portfolio of COTS-based technologies, secure networked sensors, and enterprise video management platforms designed for federal mission environments. Our team has extensive experience supporting DoD, DoE, and federal law enforcement customers with IDS design, installation, sustainment, cybersecurity hardening, and lifecycle modernization. We maintain disciplined supply-chain controls and an ISO 9001-aligned quality management system.

- i-PRO is the only security camera manufacturer to offer a standard 7-year warranty across its entire line of surveillance cameras; this provides a 40% longer refresh cycle than our competitor's 5-year warranty
- Day one full integration of i-PRO edge AI analytics applications with Genetec Security Center at no additional cost for AI servers or 3rd party applications
- i-PRO cameras offer an embedded Secure Element* with Trusted Platform Module (TPM) functionality which is certified FIPS 140-2 Level 3 compliant for maximum edge device cybersecurity protection
- i-PRO safeguards the data ecosystem by enforcing strict organizational security controls: CMMC Level 2, SOC 2 Type II Certification, ISO 42001, ISO 9001, NDAA compliant, TAA compliant, FIPS 140-3
