

ForceMetrics One-Pager

Surface the Information You Need in One Click

Not enough dispatchers and officers to clear calls fast enough?

ForceMetrics eliminates *death by a thousand clicks* so you can quickly triage those frequent welfare checks, 911 hang-ups, and shots fired calls.

Need to identify mental health calls before arriving on-scene?

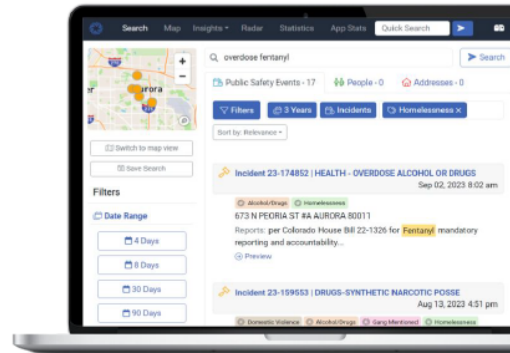

At a glance, responders can see if a person or address has had prior mental health needs like autism, dementia, PTSD, or suicidal ideations.

Overworked analysts or expanding your real time crime center?

Save hours of time jumping between systems to search and read reports by using ForceMetrics one search, one click report summaries.

Out of control gun violence, Fentanyl overdoses, or retail theft?

Connect the dots between people and actions, whether it's NIBIN crime gun casings, tracking Narcan usage, or finding organized retail crime rings.

ForceMetrics in Action: Partner Successes

Save Time Searching

"The owner of a vehicle had reported it stolen. I found that it had been towed for a parking violation in ForceMetrics before my CAD search even finished!"

Close Cases Faster

"ForceMetrics found the address for a homicide on the first search, that my squad of 6 guys took over 6 hours to find reading reports." Abilene, TX
