

Nuance Communications, Inc.

END USER LICENSE AGREEMENT

**Your acceptance of the terms of this End User License Agreement ("Agreement") is required before your use of the accompanying software.** This Agreement is between you ("Licensee" or "you") and Nuance Communications, Inc. and/or one or more of its affiliates (collectively, "Nuance"). By opening the sealed Software Package and/or by installing or otherwise using the software accompanying this Agreement ("Software"), you agree to be bound by the terms and conditions of this Agreement. The term "Software" shall also include any modified versions, updates, or upgrades of the Software licensed to you by Nuance. You may install and use a modified version, update, or upgrade of the Software only if you have a validly licensed existing version of the Software being modified, updated, or upgraded. If you download, install, copy, or otherwise use a modified version, update, or upgrade of the Software, then your license terminates as to the previous version of the Software, and you have a license only to such modified version, update, or upgrade of the Software under the terms of this Agreement. If you do not agree to the terms and conditions of this Agreement, you may not install or use the Software and must promptly return the Software and all accompanying materials to the entity from which you obtained this Software Package. THIS IS A LICENSE TO USE SOFTWARE AND NOT A SALE OF SOFTWARE CODE.

This document is Licensee's proof of a non-exclusive license to exercise the rights granted herein and must be retained by Licensee. If you or your company have signed a separate software license agreement with Nuance or with any of Nuance's authorized resellers, and that separate software license agreement is intended to govern the use of Software, the terms of that separate license agreement shall control over any conflicting terms in this End User License Agreement.

As used in this Agreement, "Software Package" means the Software and the accompanying documentation. As used in this Agreement, "Voice Profile" shall mean a data file created and used by the Software Package to recognize the speech of a sole natural person. A Voice Profile may not be shared or otherwise used by the Run-Time Software in a manner to recognize the speech of more than one natural person under any circumstances. As used in this Agreement, "Run-time Engine" shall mean the accessing of the Software Package by application software via an Application Programming Interface("API") that may be incorporated into the

Software Package by Nuance, or similar direct access to the code of the Software Package that by-passes the API. Such use is subject to separate licensing to the application software developer and to the end user.

1(a). Grant of License - For Educational Institutions using the Home, Professional Individual, Professional Group, Legal Individual, Legal Group, Dragon Law Enforcement, and Dragon for Mac Editions of the Software.

Nuance grants a non-exclusive license, without the right to sublicense or otherwise transfer, to Licensee during the Term to install and use one (1) copy of the Software contained on the provided installation media on a single computer running a validly-licensed operating system and to use, in connection with such Software, the rest of the Software Package. This license is for one (1) computer that allows the creation of multiple Voice Profiles by multiple speakers. A license for the Software Package does not allow Licensee to use the Software Package on a server. This license for the Software Package does not allow Licensee to use the Software as a Run-time Engine.

1(b). Grant of License - For Non Educational Institutions using the Home, Professional Individual, Professional Group, Legal Individual, Legal Group, Dragon Law Enforcement, and Dragon for Mac Editions of the Software.

Nuance grants a non-exclusive license, without the right to sublicense or otherwise transfer, to Licensee (and Licensee's employees who agree to be bound by the terms and conditions of this License) during the Term to install and use the Software contained on the provided installation media on multiple computers running validly-licensed operating systems and to use, in connection with such Software, the rest of the Software Package. A licensed speaker is permitted to create and use multiple Voice Profiles under this license. Voice Profiles can be stored on one or more computers or on a server to allow the speaker to move from computer to computer and still maintain a consistent dictation experience across computers. A separate license, however, must be purchased for each additional speaker whose Voice Profile or Voice Profiles is or are being used by the Software. Licensees of the Professional Group and Legal Group Editions of the Software may authorize a third party to use the Software in connection with any of Licensee's Voice Profiles solely for the purpose of performing editing or correcting functions for Licensee; however, such third party must purchase a separate License to create his or her own Voice

Profile. This license permits the Licensee to install the Software Package on an additional machine to use the Software for the transcription of audio files from many licensed users provided that the Licensee has purchased a license of the Software Package for this purpose. This license for the Software Package does not allow Licensee to use the Software as a Run-time Engine.

## 2. Nuance's Rights

Licensee acknowledges that the Software Package consists of proprietary information and products of Nuance (or other third parties) protected under United States or other patent, copyright, or trade secret laws. Licensee further acknowledges and agrees that all right, title and interest in and to the Software Package, and each component thereof, are and shall remain with Nuance. This Agreement does not convey to Licensee an interest in or to the Software Package but only a limited right to use, revocable in accordance with the terms of this Agreement.

## 3. Term

This License is effective upon Licensee's first installation and/or use of the Software and shall continue until terminated or expired. Licensee may terminate this Agreement at any time by returning the Software Package to Nuance. Nuance may terminate this Agreement upon breach by Licensee of any terms hereof. Upon such termination by Nuance, Licensee agrees to uninstall the Software and promptly return the Software Package to Nuance.

## 4. Other Restrictions

(a) Licensee may not sub-license, rent, lease, or otherwise commercialize the Software Package in any manner.

(b) Licensee may not reverse engineer, decompile, modify, create derivative works (except for Voice Profiles or custom vocabularies as set forth in the accompanying documentation) of, or disassemble the Software. You may not use any feature of the Software to create works such as custom vocabularies or language models for sale to third parties or re-sale by third parties, and/or to commercialize in any other manner. The foregoing restriction is applicable to you except to the extent that such restriction is expressly prohibited by applicable law.

(c) Licensee may not modify, make additions to or otherwise adapt the Software Package, or use the Software in conjunction with other software or data packages, for the purpose of

enabling or adding features or functionality from another version or edition of the Software or development tool associated with the Software.

(d) Licensee may only use the Software in accordance with and in the manner intended by its accompanying documentation.

(e) Licensee may not publish the results of benchmarking the Software against competitive software, except to the extent that the foregoing restriction is expressly prohibited by applicable law.

(f) Licensee may not transfer or assign this license or the Software Package to any third party without the prior express written consent of Nuance. Any changes to, modifications to, or derivative works (except as set forth above) of the Software shall become the exclusive property of Nuance except to the extent that the foregoing restriction is expressly prohibited by applicable law.

## 5. Activation

Nuance has designed the Software to prevent unlicensed use of the Software. Licensee agrees that Nuance may do so. In particular, use of the Software requires that Licensee activate the Software as described during the installation of the Software. During such activation, Nuance may collect certain non-personal technical information from Licensee's computer concerning Licensee's computer or network. Licensee agrees that Nuance may do so. Licensee may be required to reactivate the Software if Licensee modifies its computer hardware, the Software, or the operating system.

## 6. Notifications

The Software contains a component that will automatically activate Licensee's Internet browser and attempt to initiate a connection through the Internet to a website maintained by Nuance. This connection will be made using the Internet connections and telephone lines under Licensee's control. From time to time, Licensee may receive notices about the Software or other information through this Internet connection. By installing the Software on Licensee's computer, Licensee hereby consents to have the Software initiate a connection through the Internet to Nuance's website, to use Licensee's resources to connect to such website, and to receive notices about the Software and other information through this Internet connection.

## 7. Proprietary Rights

Title, ownership rights, and intellectual property rights in the Software Package shall remain in Nuance and/or its suppliers or licensors. Licensee acknowledges such ownership and intellectual property rights and will not take any action to jeopardize, limit, or interfere in any manner with Nuance's or its suppliers' or licensors' ownership of or rights with respect to the Software Package. The Software Package is protected by copyright and other intellectual property laws and by international treaties.

## 8. Disclaimer of Warranty

THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS BORNE BY LICENSEE. SHOULD THE SOFTWARE PROVE DEFECTIVE IN ANY RESPECT, LICENSEE AND NOT NUANCE OR ITS SUPPLIERS OR RESELLERS ASSUMES THE ENTIRE COST OF ANY SERVICE OR REPAIR. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS AGREEMENT. NO USE OF THE SOFTWARE IS AUTHORIZED HEREUNDER EXCEPT UNDER THIS DISCLAIMER. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY MAY LAST, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

### 8.2 IN AUSTRALIA:

(b) IF GOODS AND SERVICES PURCHASED ARE NOT OF A KIND ORDINARILY ACQUIRED FOR HOUSEHOLD USE OR CONSUMPTION THEN, SUBJECT TO LAW, NUANCE LIMITS ITS LIABILITY TO:

(i) FOR GOODS:

(A) REPLACEMENT OF THE GOODS OR THE SUPPLY OF EQUIVALENT GOODS; OR

(B) THE COST OF REPLACING THE GOODS OR ACQUIRING EQUIVALENT GOODS; OR

(C) REPAIR OF THE GOODS; OR

(D) THE COST OF HAVING THE GOODS REPAIRED; AND

(ii) FOR SERVICES:

(A) SUPPLYING THE SERVICES AGAIN; OR

(B) PAYMENT OF THE COST OF HAVING THE SERVICES SUPPLIED AGAIN,  
UNLESS IT IS UNREASONABLE TO DO SO.

(c) GOODS (OTHER THAN SOFTWARE) PRESENTED FOR REPAIR FURTHER MAY BE REPLACED BY REFURBISHED GOODS OF THE SAME TYPE RATHER THAN BEING REPAIRED. REFURBISHED PARTS MAY BE USED TO REPAIR THE GOODS.

(d) WHERE NUANCE ELECTS TO REPAIR GOODS, THIS REPAIR MAY RESULT IN LOSS OF USER-GENERATED DATA.

(e) If the Australian Consumer Law (ACL) applies to this transaction then Nuance's Australian Consumer Law Policy applies visit the website [australia.nuance.com](http://australia.nuance.com) for information on this policy.

#### 9. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL NUANCE OR ITS LICENSORS BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, ECONOMIC OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE PACKAGE, INCLUDING THE SOFTWARE, DOCUMENTATION, OR MICROPHONE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO CASE SHALL NUANCE'S LIABILITY EXCEED THE AMOUNT PAID BY LICENSEE FOR THE SOFTWARE PACKAGE. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES (SUCH AS AUSTRALIA IN CERTAIN CIRCUMSTANCES PURSUANT TO THE AUSTRALIAN CONSUMER LAW), SO IN THOSE STATES OR JURISDICTIONS, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. AS A CONDITION OF YOUR USE OF THE SOFTWARE PACKAGE, YOU AGREE TO INDEMNIFY NUANCE FOR ALL CLAIMS RELATING TO YOUR USE, REPRODUCTION AND/OR RECEIPT OF CONTENT THROUGH USE OF THE SOFTWARE PACKAGE. LICENSEE UNDERSTANDS THAT SPEECH RECOGNITION IS A STATISTICAL PROCESS AND THAT RECOGNITION ERRORS ARE INHERENT IN THE PROCESS. LICENSEE ACKNOWLEDGES THAT IT IS LICENSEE'S RESPONSIBILITY TO CORRECT RECOGNITION ERRORS BEFORE USING THE RESULTS OF THE RECOGNITION.

This Section applies to all acquisitions of the Software by or for the Federal government or by any prime contractor or subcontractor (at any tier) under any contract, grant, cooperative agreement, or other activity with the Federal government. By accepting delivery of the Software, the government hereby agrees that this software qualifies as "commercial" computer software within the meaning of the acquisition regulation(s) applicable to the procurement. 17. Processing of Speech Data, Uploaded Data, and Usage Data

(a) Speech Data and Uploaded Data. The Software has a feature by which you may enable Nuance to collect Speech Data (as defined below) or provide Nuance with Uploaded Data (as defined below). If you turn on the feature to provide Nuance with Speech Data and/or Uploaded Data, Nuance or its commissioned service

providers, may collect and use the Speech Data and/or Uploaded Data for the purposes provided in this Agreement. Nuance or third parties acting under the direction of Nuance and pursuant to confidentiality agreements, shall only use Speech Data and Uploaded Data to tune, enhance and improve the speech recognition and other components of the Software, and other Nuance services and products. Nuance will not use the information elements in any Speech Data or Uploaded Data for marketing purposes. This feature utilizes the Google Analytics service to collect the Usage Data (information on the Google Analytics service and how it collects and processes data is located at <https://www.google.com/policies/privacy/partners/>). Nuance or third parties acting under the direction of Nuance and pursuant to confidentiality agreements, may solely collect and use the Usage Data for the purposes provided in this Agreement. ATTACHMENT A  
GDPR PROCESSING ATTACHMENT

The following provisions will constitute the controller-processor contract required by Article 28 of the GDPR:

(a) You agree that, when you transmit Personal Data to Nuance so that we may deliver the Service to you, such as by transmitting your Speech Data to us, you are the controller of the Personal Data and Nuance is the processor of such data. The subject-matter, nature and purpose of the processing is provision of speech recognition services to you; the type of personal data and categories of data subjects are unknown to Nuance and within your control as the controller.

b) The duration of the processing is the duration of this Agreement. All processing of your Personal Data is conducted on your documented instructions in accordance with this Agreement unless required to do so by Union or Member State law, in which case Nuance will inform you before processing, unless that law prohibits such information on important grounds of public interest.

(c) You grant Nuance a specific authorization to appoint Oracle Corporation as sub-processor to provide Nuance's support ticketing system. You grant Nuance a general authorization to appoint other sub-processors, including service providers, to support the delivery of the Service. Nuance will inform you of any new or changed sub-processors, thereby giving you the opportunity to object to such changes. We will require any sub-processors to enter into a written agreement with Nuance on the same or equivalent terms to those in Attachment A to this Agreement, and we will remain liable to you for any breach by the sub-processor of its agreement with Nuance.

(d) The data that Nuance collects to provide the Service to you, including Speech Data and Usage Data, may be transferred to the United States and stored and processed there. By entering into this Agreement, you consent to such transfer, storage and processing. Nuance complies with applicable EU requirements for transfers of Personal Data to the United States.

e) We will treat your Personal Data confidentially and will take appropriate steps so that only authorized personnel shall have access to your Personal Data and that such authorized personnel shall be subject to binding obligations of confidentiality. We will implement appropriate technical and

organizational measures to meet GDPR requirements, including appropriate security under Article 32 as described in the Technical and Organizational Measures described below, and to ensure the protection of the rights of the data subject.

(f) We will promptly notify you if we receive notice from a data subject of exercise of data subject rights. You will be responsible for addressing such requests. We will provide you with reasonable information to assist you in your response to the data subject request, insofar this is possible, taking into account the nature of the processing.

(g) We will assist you in ensuring compliance with the obligations pursuant to Articles 32 to 36 of the GDPR taking into account the nature of processing and the information available to Nuance.

(h) At your request, Nuance will delete or return all collected Personal Data after the end of the Service, and delete existing copies, unless the law requires storage of the Personal Data.

(i) In order to satisfy your audit and inspection rights Nuance will provide you with written information on Nuance's compliance. We will make available to you all information necessary to demonstrate compliance with Article 28 of the GDPR and allow for and contribute to audits, including inspections, conducted by you or an auditor mandated by you, in necessary. We shall immediately inform you if, in our opinion, an instruction infringes the GDPR or other EU data protection law.

(j) We will notify you without undue delay after becoming aware of any personal data breach and provide to you all information required to be provided by a processor to a controller under Article 33(3) of the GDPR.

#### Technical and Organizational Measures

**Workforce Clearing and Training:** All Nuance personnel are subject to background checks before access to restricted data is permitted. All personnel receive regular security training.

**Physical Access Controls:** All Nuance facilities are protected by physical security controls including perimeter controls, electronic access systems, locks and cameras. Nuance stores all production data in physically secure data centers that also maintain additional access restrictions.

Logical Access Controls: All Nuance systems and personal computers are subject to access controls including at least username and password that must meet password complexity requirements and automatic logoff requirements.

Data Access Controls: Access to Nuance systems storing Personal Data is granted on a need-to-know basis and is subject to administrator approval. Data at rest is protected either by encryption or compensating security controls, which include segmented networks, tiered architecture, firewalls with intrusion protection and anti-malware protections, and limiting of port access.

Data Transfer Controls: Data is protected by encryption in transit.

Entry Control: Nuance implements systems to log data access.

Availability Controls: Nuance's infrastructure systems have been designed to eliminate single points of failure and minimize the impact of anticipated environmental risks. All data centers operate in active/active mode with real-time application replication across the regions. Nuance relies on geographical redundancy to support high-availability of service to its client base.

Control of Data Separation: All Customer data is logically separated.

Nuance may update these Technical and Organizational Measures at any time by publication on its website at [www.nuance.com](http://www.nuance.com).
