

Zoom Video Communications

Enabling exciting new ways to teach, learn, and connect globally

Zoom helps people stay connected so they can get more done together. From meetings, chat, phone, and webinars to conference room systems and online events. Zoom powers all your communication needs. Our secure, reliable video platform offers a high-quality experience that is easy to manage, use, and customize.

Connect your greater school, college, or university community, and alumni with one Unified Communication and Collaboration Platform. Supporting your administrators and providing flexible learning modalities for students has never been easier. Now you can manage your communication procedures and policies as well as emergency protocols all within one platform. We invite you to see how Zoom Meetings, Team Chat, Phone, and Rooms can transform your workflow and bring your entire community together.

Company Overview

Zoom is for you. We help you express ideas, connect to others, and build toward a future limited only by your imagination. Our frictionless communications platform is the only one that started with video as its foundation, and we have set the standard for innovation ever since. That is why we are an intuitive, scalable, and secure choice for large enterprises, small businesses, and individuals alike. Founded in 2011, Zoom is publicly traded (NASDAQ:ZM) and headquartered in San Jose, California.

Relevant topics may include, but not limited to:

- K12 & Higher Education
- Cloud Telephony
- E911
- Student recruitment/retention
- Hybrid/Hyflex solutions
- Safety & Security
