7

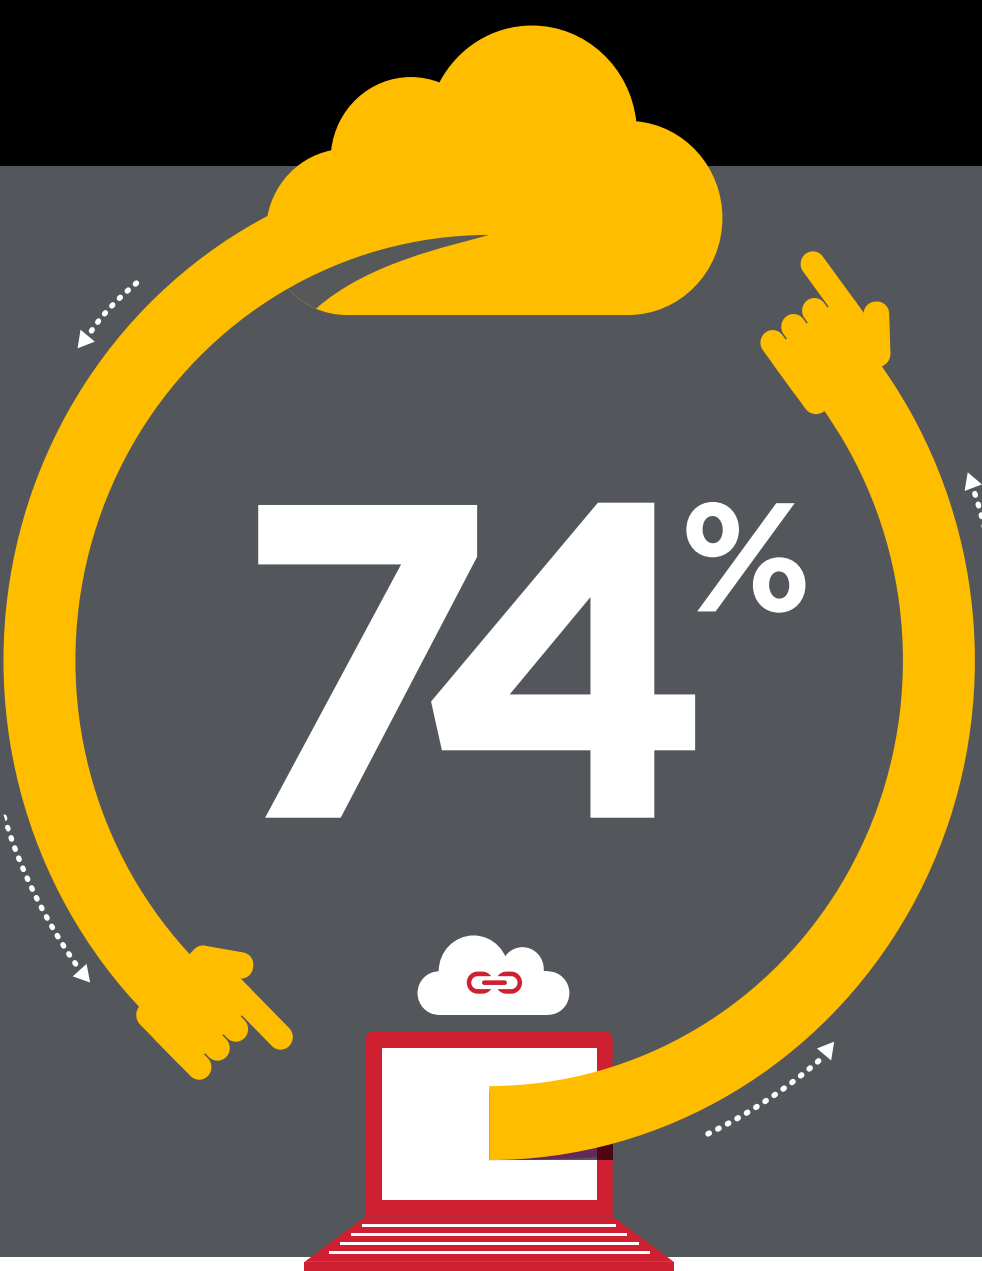

Reasons to Adopt Symantec PAM

Simply put: Our customers like our solution. Here's what they're saying...

1 FEATURES AND APABILITIES

93/100

Rated the Symantec PAM features and capabilities as being **better, significantly better, or best in class**

2 MODERN DEPLOYMENT OPTIONS

Deployed Symantec PAM in **the cloud** or as **virtual appliance**.

3 RISK MITIGATION

65%

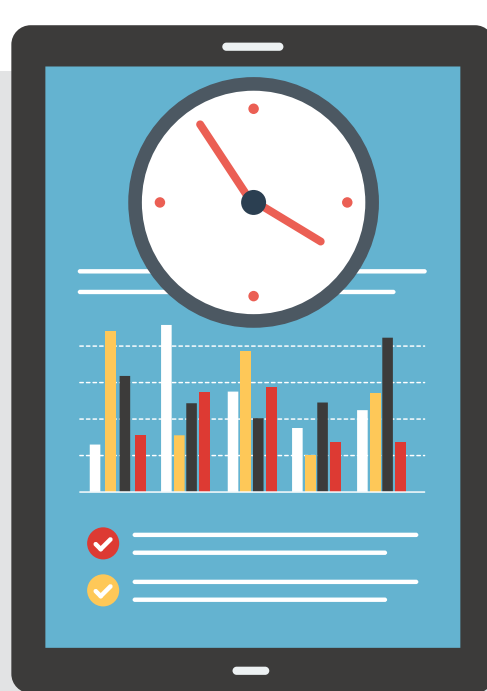

Deployed Symantec PAM to **track, report, and monitor** privileged user activity

“ Clients are more confident that all activities are recorded, and everyone is held accountable when asking for support being provided. ”

IT Central Station QUOTE | Sales Engineer, Tech Services Company

4 TIME TO VALUE

88%

Rated the Symantec PAM **ease of use** as being better, significantly better, or **best in class**.

“ We selected this product because of the ease of implementation. We did a PoC and had the appliances setup in less than a day. ”

IT Central Station QUOTE | InfoSec Manager, Fortune 500 Company

5 TOTAL COST OF OWNERSHIP

“ We saved hundreds of hours in deployment and integration costs, compared to other solutions. ”

89%

Rated the Symantec PAM **TCO** as being better, significantly better, or **best in class**.

IT Central Station QUOTE
Enterprise Architect | Fortune 500 Co.

6 AUDITS & COMPLIANCE

58%

Deployed Symantec PAM to address **audit** and **compliance requirements**.

“ It is very helpful with passing audits. It's one thing to say you have control; it's another to show your control. This is very easy to show. ”

IT Central Station QUOTE | Director of Information Security, Insurance Company

7 ENTERPRISE SCALABILITY

90%

of customers rated Symantec PAM scalability as being **better, significantly better or best in class**.

“ We will likely have well over 200,000 managed accounts in the system when we are fully deployed. ”

IT Central Station QUOTE | Information Security Manager, Fortune 50 Company
