WHO WE ARE & WHAT WE DO

Quantum technology, software, and services provide the solutions that today's organizations need to make video and other unstructured data smarter—so their data works for them and not the other way around. With over 40 years of innovation, Quantum's end-to-end platform is uniquely equipped to orchestrate, protect, and enrich data across its lifecycle, providing enhanced intelligence and actionable insights. Leading organizations in cloud services, entertainment, government, research, education, transportation, and enterprise IT trust Quantum to bring their data to life, because data makes life better, safer, and smarter. Quantum is listed on Nasdaq (QMCO) and the Russell 2000® Index.

RESEARCH & HPC

- High-performance shared storage for large-scale unstructured data sets.
- Low-cost long-term archive storage.

MEDIA & ENTERTAINMENT

- High-performance shared storage to the biggest studios, broadcasters, and post-production companies in the world.
- Low-cost long-term storage for the largest digital media archives, on prem or in the cloud.

SURVEILLANCE & INDUSTRIAL IoT

- A hyperconverged surveillance platform designed for video recording and building systems applications.
- Ruggedized, in-vehicle storage for rolling stock, buses, trains, and more.

INDUSTRIAL MACHINE LEARNING

- High-performance shared storage for ADAS analytics.
- Ruggedized, removable in-car storage to capture the digital data generated by self-driving cars.

DATA PROTECTION & ARCHIVE

- High-performance storage for backup and disaster recovery (DR).
- Offline storage to protect against ransomware and malware.

QUANTUM. MAKING THE WORLD...

HAPPIER

SAFER

SMARTER

END-TO-END PORTFOLIO OF SOLUTIONS FROM INGEST THROUGH ARCHIVE

Quantum's portfolio addresses the needs for unstructured data sets and the most demanding workflows. These large-scale unstructured data sets have a lifecycle that requires high-performance shared storage, data protection, and low-cost, long-term storage. The diagram below shows Quantum's portfolio aligned with the needs of our customers.

QUANTUM PRODUCTS & SOLUTIONS FOR DATA PROTECTION & ARCHIVE

Quantum also provides solutions for high-performance enterprise backup and DR, as well as offline storage to protect against ransomware and malware. as shown in the diagram below.
