The screenshot displays the Engage app interface for a poll titled "Modern Art Movements: A Quick Poll". The interface includes a navigation bar at the top with a home icon, a back arrow, and a "View all questions" link. On the right side of the navigation bar, there is a timer showing "00:00:07" and a "Stop Q1" button. Below the navigation bar, there is a blue banner with a megaphone icon and the text "Attention: Would you like to give participants more time to answer? [Add more time.](#)". The main content area shows the poll question: "Which movement is considered the beginning of Modern Art?". There are four multiple-choice options: A Impressionism (15 votes), B Baroque (5 votes), C Renaissance (3 votes), and D Romanticism (2 votes). To the right of the poll question, there are two thumbs-up and thumbs-down icons, each with a "0" above it. Below the poll question, there is a large image of a hand painting a vibrant floral scene with bees. On the right side of the interface, there is a sidebar with several sections: "Response" (dropdown), "Participants" (dropdown), "Total Participants" (dropdown), and "How to Join the Activity" (dropdown). The "How to Join the Activity" section contains the text "To join directly, either scan the QR code or copy the link and paste it into your browser." and a QR code. Below the QR code, there are two buttons: "467682" with a copy icon and "Link" with a copy icon.

A Comprehensive Student Response System

The screenshot displays the Engage Student Response System interface. The main area shows a poll titled "1 out of 1 Word Cloud" with the question "What words best describe your experience using technology for learning?". The word cloud contains the following words: Accessible, Convenient, Flexible, Fun, Motivating, Innovative, Challenging, and Interactive. The sidebar on the right provides analytics for the poll, including the number of participants (22), completion rate (100.0%), and a breakdown of participants by browser.

YuJa Engage offers a variety of question types to foster active learning.

The screenshot displays the 'Engage > Create Poll' interface. On the left, a sidebar contains navigation icons and a 'Question 1' section with '10 points' and a '+ Add Question' button. The main area is titled 'Choose a Question Type' and is divided into two sections: 'Commonly Used Question Types' and 'More Question Types'. Each type includes an icon, a title, and a brief description.

Question Type	Description
Multiple Choice	Ask a question with options to choose from.
Short Answer	Ask a question requiring a written response.
True or False	Provide a statement that is either true or false.
Fill in the Blank	Provide a statement with blanks to fill in.
Clickable Image	Upload an image with clickable options as answers.
World Cloud	Visualize responses as a dynamic word cloud.
Ranking	Provide options that can be ranked in order of preference.
Open Discussion	Ask a question to allow ideas to be shared.
Icebreaker	Create fun questions to kick off group activities.
