As the federal fiscal year draws to a close, it's the perfect time to enhance your agency's IT security and efficiency with Ivanti's leading Mobile Device Management (MDM) and Patch Management solutions. For a limited time, federal customers can take advantage of exclusive year-end pricing and bundled discounts—ensuring compliance, reducing vulnerabilities, and simplifying device management across your organization.

Ivanti's MDM platform empowers you to manage and secure all your mobile devices from a single, easy-to-use interface—fully compliant with federal security standards. Combined with Ivanti Patch Management, you can automate and streamline updates across your endpoints, dramatically reducing the risk of cyber threats while supporting FISMA and FedRAMP requirements.

Partners taking advantage of the promotion must register their opportunities before the end of **September 2025** to receive a discount of **40%**. Details regarding the promotion are summarized below.
