# What Our Clients Say

**Anil Santhapuri**
Director of Learning and Development, CGI

CGI

Simplilearn has been a great partner for us and our employee skills development program.  Their catalog of training content covers a wide range of digital domains and functions, which  we appreciate. Their online bootcamps are highly engaging and the enterprise level support  is always there when we need it.

**Luiza Müller**
HR Director, Orange

orange

Orange is committed towards training its employees in emerging technologies and equipping  them with skills of the future. Digital transformation comes with great opportunities, and  Simplilearn's expertise is a great advantage in this challenge represented by digitization.

**Praveen Kumar**
WW Delivery Governance Lead, Hewlett Packard Enterprise

Hewlett Packard
Enterprise

Simplilearn is a complete package - good online platform, very good content, excellent  trainers, and a fabulous customer success team. We at HPE Communications & Media  Solutions asked their help in delivering Agile classes during our Americas Sales Conference,  and then again at our Japan Sales conference. "Simpli" put, it was a great experience. Thank  you, Simplilearn.

**Isidro Buquiron**
Project Manager, NKJA Engineering & Construction Inc.

The most awesome feature of Simplilearn's courses is the flexibility, as it allows participants  to learn at their own pace. The live PMP course is crisp and clear, and the instructor's level  of effort and detail to explain the topics went above and beyond. Excellent training sessions!
Simplilearn's LMS platform allows for cost-effective and efficient skills training, which is much  appreciated!
