

Grok Enterprise Offer to US Federal Government Purchase

To receive pricing and/or to schedule an overview reach out to:
xAI@carahsoft.com or (888) 606-2770

As a committed industry partner, xAI supports GSA's vision to accelerate federal AI adoption and modernization through the OneGov initiative. Through this partnership, xAI via Carahsoft offers a limited time promotional offer for Grok Enterprise that empowers federal agencies with advanced AI capabilities at a competitive price.

Grok Enterprise for Government Teams product offers real-time data search, multi-agent reasoning, and multimodal capabilities for text, code and image processing, alongside robust security measures including SOC 2 Type 2 compliance, role-based access control, and secure API integrations for seamless and protected enterprise workflows. The subscription is for a minimum of 18 months, with unlimited seats per agency/department (grouped into a single order). The period of performance is 9/17/25–3/14/27.

xAI Products offered as part of the Promotion:

xAI Products	Capabilities	Discount
Grok Enterprise AI Core & Integration Suite — Real-time data reasoning, secure API integration, and AI-driven analytics across government data systems	- Real-time data search across enterprise knowledge - Multi-agent reasoning to support complex tasks and decision-making - Multimodal capabilities for processing text, code, and image inputs - Robust security: SOC 2 Type 2, role-based access control, secure API integrations - Unlimited seats for a minimum 18-month subscription (single order per agency/department)	- List price: \$360/per annual license 99% discount

Additional Limited Time Offer Inclusions:

Each participating agency will receive dedicated engineering and integration support from xAI to help with Grok Enterprise deployment, model configuration, and secure data connectivity.

Discounts apply to new contracts awarded or contracts modified to add additional covered offerings and/or users, as appropriate, or on or before September 17th, 2025. No minimum purchase required for discount eligibility.

Where to Purchase:

Purchase must be made via Carahsoft's GSA MAS IT contract
