

Blackthorn Messaging SMS Conversations. Directly in Salesforce.

Blackthorn Messaging lets you send and receive text message communication directly in Salesforce so you can always get your message across. Automate your communications and build deeper relationships with your customers and your prospects.

Blackthorn Messaging lets you:

- Automate Your Communications**
Leverage flows so you can focus your time on your customers and prospects, not your processes.
- Boost Open Rate**
Increase customer engagement and get your message read 98% of the time.
- Leverage Salesforce Reporting**
Manage conversations directly in Salesforce where it's reportable and trackable.
