Everlaw for State and Local Agencies

Bring your office's ediscovery to the cloud—and into the future.

Everlaw is an all-in-one ediscovery, investigations, public records, and legal holds platform, relied on by state and local agencies to help simplify complex legal work. Transparent and predictable pricing meets intuitive design to create a user experience that increases productivity, shortens records requests response times, and boosts confidence. Trusted by the National Association of Attorneys General (NAAG), Everlaw provides a solution to the ever-changing policy, legal, and technology landscapes. Automate routine workflows, collaborate with others, meet deadlines, and serve your citizens like never before.

For Government Offices from Coast to Coast

INVESTIGATE FASTER

With industry-leading ingest-to-review times, processing speeds of up to 900k docs/hour, and lightning-quick searches, state agencies can reduce review costs by 50%. Connect directly to cloud storage platforms like O365, Box, Sharepoint, and much more.

PERSONALIZED ONBOARDING, TRAINING, AND SUPPORT

From complex data migrations to team-training sessions, Everlaw's team of product experts, savvy data wizards, and seasoned lawyers are there for your government agency every step of the way—for no extra cost.

KEEP DATA UNDER LOCK AND KEY

Enjoy the added benefit of cloud and FedRAMP security to safeguard confidential information. Everlaw is also SOC 2 Type II certified and supports HIPAA compliance.

WORK BETTER IN TANDEM

Manage large, complex MDLs with other state offices. Leverage in-platform messaging to share key insights and collaborate on case and trial preparation in Storybuilder. With unlimited users for no additional cost, all key players, from paralegals to co-counsel to Attorneys General – have the chance to weigh in.

CONQUER PUBLIC RECORD BACKLOGS

Respond to public records requests in a timely manner without sacrificing accuracy. Leverage project templates for similar types of requests and streamline redactions of confidential and exempted data like PII.

AUTOMATE YOUR LEGAL HOLDS

Quickly and confidently issue and track legal holds with ease, at no extra cost. Streamline your preservation process with automated escalations and a built-in audit trail.

"Products like Everlaw are helping make sure that we're continuing to pursue due process even during this tough time. Having searchable databases that can help you marshall evidence quickly and efficiently is an indispensible element of justice and I'm grateful for that."

Keith Ellison
Attorney General
State of Minnesota
