

Google Cloud Workspace Promotional Offer US Federal

To receive pricing and/or to schedule an overview reach out to:

google-sales@carahsoft.com or (888) 662-2724

In support of the **OneGov initiative**, Google's Workspace Enterprise Plus combined with Assured Controls Plus offers the U.S. federal government a secure, cloud-native productivity suite that meets stringent compliance standards, including FedRAMP High authorization, while providing advanced administrative controls and U.S. only support access.

The strategic agreement between Google Public Sector and GSA empowers federal agencies to significantly reduce costs while gaining access to secure, AI-powered tools like Gemini and NotebookLM—enhancing mission effectiveness through intelligent automation, data-driven insights, and modern collaboration capabilities.
