

Google G-Suite FedRamp Addendum

Passthrough Federal Risk and Authorization Management Program (FedRAMP) Addendum

The following additional terms are added to and incorporated into the Product Passthrough Terms – Google Apps for Work (for Customers):

1. Federal Risk and Authorization Management Program (FedRAMP). Provider's Apps Service has received an Authority to Operate (ATO) from the General Services Administration. Customer's sole remedy will be its ability to terminate use of Provider's Apps Service and neither Provider, Reseller nor Distributor shall have any liability arising from the loss of or failure to maintain the ATO.
