As part of the OneGov initiative, DocuSign's **FedRAMP and IL4 eSignature plans** and **FedRAMP IAM packages** provide federal agencies with a secure, compliant, and cost-effective way to manage digital agreements. Agencies can streamline approvals, cut processing time, and eliminate paper-based delays using FedRAMP-authorized tools and centralized identity access controls.

DocuSign is offering **70% off FedRAMP and IL4 eSignature plans** and **50% off FedRAMP IAM plans**, making it easier to digitize workflows from data collection to storage. Reduce risk, save time, and improve the constituent experience, while going paperless.
