RePath: Learn About the App

RePath

Powered by eHawk

What is RePath?

RePath is a mobile app that is placed on your phone. This is a tool that the judge or supervisor has required you to use. This mobile app will assist you through the judicial process and on to better outcomes.

The RePath APP features include:

- Court date & appointment reminders
- Check-ins using facial recognition
- Chat, SMS, & video conferencing with your supervisor
- Accountability for curfews, inclusion zones, & exclusion zones
- Access to resources for addiction, mental health, & employment programs
- App help with the RePath support team
- Allows you to self-report, upload documents, & update information with your supervisor

What is RePath?

RePath is a mobile app that is placed on your phone. This is a tool that the judge or supervisor has required you to use. This mobile app will assist you through the judicial process and on to better outcomes.

The RePath APP features include:

- Court date & appointment reminders
- Check-ins using facial recognition
- Chat, SMS, & video conferencing with your supervisor
- Accountability for curfews, inclusion zones, & exclusion zones
- Access to resources for addiction, mental health, & employment programs
- App help with the RePath support team
- Allows you to self-report, upload documents, & update information with your supervisor

How do I enroll?

An SMS message will be sent to your mobile phone. This will give you a link to download the app with your username and password. Once you have downloaded the app and logged in, just follow the instructions. If you have not received an SMS message or need help, contact RePath support team.

What do I have to do for RePath?

- Make sure notifications are turned on
- Make sure all permissions are allowed
- Locations services are enabled if requested by RePath
- Keep the phone charged and with you at all times
- Perform the photo check-ins when the app request them

Why do I have to use it?

- The Judge, court program, or supervisor has required it
- You must be enrolled with in 48 hours of receiving your SMS message
- The Judge, court program, or supervisor can answer additional questions

Common questions & answers:

- How does this affect my battery? The app runs in the background to minimize battery usage.
- Why do I not see my check-in photo? The RePath app uses facial recognition software that does not require you to see your photo.
- Does RePath have access to my phone? RePath only has access to the required permissions asked for. RePath does not have access to personal photos, text messages, phone calls, search history, or social media apps.
