## RePath: A Technology Platform that Transforms Criminal Justice

### A Technology Platform that Transforms Criminal Justice

Pre-Trial | Probation | Parole

Helping reduce incarceration, save governments millions, and get people back to their lives.

#### Innovative Technology for Supervision and Support

##### The RePath App

- Installed on participants' smartphones
- SMS messaging, in-app chat, and video chat for remote supervision
- Access to beneficial programs and resources
- Multiple supervision levels unique to each participant

##### The RePath Dashboard

- Browser-based dashboard with accompanying officer app
- Secure access to real-time data for agencies at no additional cost
- Automated compliance scoring
- View activities of multiple participants at a glance
- Reduce time-intensive administrative tasks
- Focus limited resources on individuals requiring advanced supervision

##### Robust Customer and Tech Support

- Extensive experience in the criminal justice system
- Dedicated training and implementation services for jurisdictions
- Technical support for officers and participants

#### A Cost-Effective Solution

##### RePath Costs:

1% the cost of jail

10% the cost of an ankle monitor

##### RePath Benefits:

Free to participants

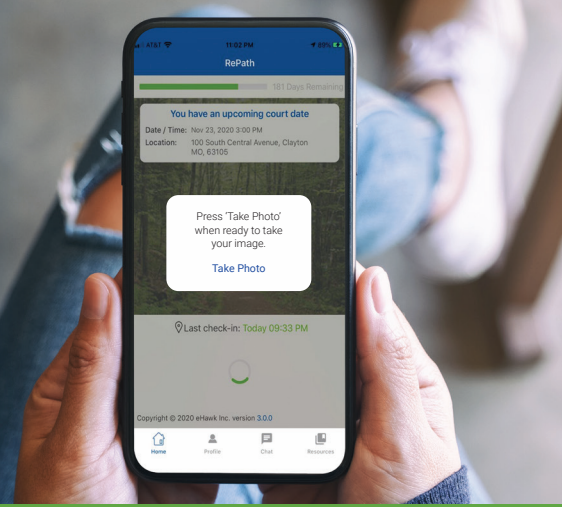

Saves millions of dollars

Saves millions of dollars

### Full-service features include:

- Check-ins using facial recognition
- Court date reminders
- Location tracking – curfew, inclusion and exclusion zones
- Chat, SMS and video conferencing
- Compliance scoring
- Electronic reporting
- Access to addiction, mental health, and employment programs

### Improving Outcomes in St. Louis County, MO

After one year, RePath helped reduce pre-trial jail days by more than 60% in St. Louis County.

- **400+** fewer individuals jailed daily
- **150,000+** jail days saved
- **\$3.9 million** savings to MO in county reimbursements

Based on these results, Missouri expanded the use of RePath statewide in July 2021.

At eHawk Solutions, we believe there is boundless opportunity for the RePath platform to modernize and streamline criminal justice processes – simultaneously improving the system and the lives of those within it.
