VMware Technical Solutions Professional (VTSP)\*\* – Design for pre-sales technical professionals, the program provides foundational architecture and design knowledge of VMware's core product and solutions.

VMware Certifies Professional (VCP)\*\*\* – Certifications that confirm that you have the education needed to successfully install, deploy, scale, and manage VMware environments.

## How it works

As a VMware partner you have access to VMware tools and training materials to gain a basic understanding of the VMware Virtualization Program, IT customer use cases, and technical installation procedures. Below you will find instructions on how to access the coursework, videos, in-person certification programs, and online certification programs available to help you Sell, install, and promote VMware solutions. Upon completing the course requirements, students will receive a certificate to be a part of a growing community of VMware champions.

### STEP 1: CREATING A VMWARE SOLUTION PROVIDER ACCOUNT

Start by visiting [www.vmware.com/partners](http://www.vmware.com/partners) > click on **Enroll Now** and fill the [VMware Partner Network Application form](#) to enroll in the Solution Provider Partner Program.

Once your Enrolled partner level has been approved by VMware, you may explore the partner portal for certifications and product information.

### STEP 2: ACCESSING THE ONLINE COURSES

Start by visiting [www.vmware.com](http://www.vmware.com) > click on **Partner Central** and log in using your credentials > click on the **Partner University** tab > select **Partner Individual** > choose **Role Based Learning** and select all that apply.

#### ● ENROLLING IN ONLINE TRAINING

Click on the class you want to take and select the *Learn IT* or *Prove IT* button at the bottom of the pop up screen. Join the course by clicking *Subscribe* in the top right corner of the screen and the modules will become active and available for you to view.

#### ● INSTRUCTOR LED TRAINING

Many of the courses can be completed in a live classroom setting with an instructor. Talk with your Carahsoft sales representatives for dates and times of upcoming trainings.

#### ● COMPLETING ONLINE QUIZZES

Many of the modules have associated quizzes. To obtain your certification, you must pass each of the module quizzes. Upon completing a module, click on the quiz link and answer the questions with 80% accuracy to pass.
