

THE PROBLEM WE SOLVE: Agencies Are at a Tipping Point, Opening Themselves Up to Risk

MAGNET'S POINT OF VIEW: Success Principles for the Path Forward

7

Success Principles

The new Digital Forensics requirements

- 1 **Unlock more evidence:** harness all of your media & data sources
- 2 **Move to automation:** eliminate the backlog; elevate teams
- 3 **Integrate data storage management:** diminish data loss, risks & costs
- 4 **Enable collaboration:** break down siloes; streamline workflows
- 5 **Tighten governance:** ensure chain of custody, stay auditable & compliant
- 6 **Stay flexible:** open, interoperable system that won't lock you in
- 7 **Be ready for AI:** keep one step ahead with AI-powered tools

THE SOLUTION: The Magnet One Platform
