Adobe Connect 12

Upgrade Every Virtual Experience

With Enhanced Audio And Video

Create reliable, reusable, and engaging virtual experiences, now in high definition with the all-new Adobe Connect 12.

Adobe Connect 12 is now powered by a modern, reliable & scalable, WebRTC-based media streaming architecture, enabling superior audio-video experience and quality of service.

* Available for hosted deployments. Licensed and Managed services installer - releasing soon*

Enhanced Video

Experience full HD video with picture clarity and resolution like never before.

Full HD Video in 1080p

Deliver impactful presentation with high-quality 1080p video for greater clarity and resolution.

Multi-page Video Feeds

Let everyone be seen and heard with up to 50 HD quality videos at once, in multi-page view.

Full HD Single Speaker View

Guide the participants' focus to an active or chosen speaker in full HD with this new video layout.

Focused Speaker View

Let the conversations flow with an automatic focus on the active speaker.

Easy Camera Tools

Control & customize in-room camera settings like a breeze, with single-click Preview, Start, Pause or Switch camera options.

Richer Audio

Experience high-quality sound that doesn't let you down.

High quality audio

Bank on high-quality, clear, and reliable audio, in near perfect sync with automatic noise cancellation and echo reduction.

Easy Microphone tools

Get quicker mic control and customizability with simplified in-room microphone tools.

Easy Speaker tools

Test, Switch, and Customize speaker settings easily with simplified in-room speaker tools.

Improved Usability

Experience renewed ease of use with ubiquitous access, frictionless entry, and smooth exits.

Extended Browser Capabilities

Share ideas without barriers, from any modern browser with one of the most feature-rich HTML web-client, that now supports screenshare in browsers.

Easier Login Experience

Enter Adobe Connect sessions like a breeze with a new login experience with custom login preferences that can be saved for the future.

Smoother Exit Experience

Get better control over exiting the room and ending a session with distinct exit options.

Instant MP4 Recordings

Download, view, and share right after the session with Instant MP4 recordings.
